

Casa Aventuras

Region: Riviera Maya Sleeps: 8 - 10

Overview

Casa Aventuras is a stunning, modern five-bedroom home away from home for twelve. Nestled inside a quaint gated community of Puerto Aventuras, it is a brisk walk away from some of the most spectacular coastlines of Mexico. It is built around picturesque cenotes that guests can access, with a freshwater system streaming below the property.

Casa Aventuras boasts an outdoor which is unmissable — think rustling trees and tropical landscapes, but with cutting-edge facilities. Bask outside in the private courtyard, teeming with verdant foliage and warm, gentle sunshine. Cosy loungers and sea beds are perfect for relaxing siestas by the private pool. Fire up the charcoal BBQ, and savour al-fresco meals in the outdoor bamboo gazebo. Watch the sun go down by the crackling fire-pit.

Hammocks are laid out around the house, perfect to unwind and soak in the property's balmy ambiance at any time of the day. There's also a breezy palapa-styled terrace, which overlooks the marina and jungle. It offers spacious areas to lounge, along with a sleek bar, and an exclusive rooftop jacuzzi.

The interiors are equally sublime. You'll find elegant rooms, complete with soothing décor, and a local, earthy spirit. Tropical designs meet rustic furnishing; flowerpots brim with honey-scented plants. Cobblestoned walls and intricate woodwork imbue a wholesome, beachy vibe.

The main floor offers two spacious living rooms with comfy seating areas. The dining table overlooks the pool through large wooden sliders. The kitchen is airy, and fully furnished with a refrigerator, coffee maker, oven and a blender. There's an additional countertop along with high chairs, ideal for a sit-down tapas meal.

All five bedrooms are cosy and minimalistic, with rustic, wooden finishes and plenty of natural light. Two of the bedrooms are on the main floor, and the other three are located upstairs. While the master suite also comes with a private bathroom (along with a large walk-in shower), the remaining rooms share a common one. You also have access to private balconies from two of the rooms. Equipped with lounge chairs and coffee tables, they are perfect for gazing at unforgettable sunsets.

Casa Aventuras is a remarkable 4000 sq ft home, especially recommended for families and friends looking for a quiet, tranquil getaway.
