Overview

Escape the humdrum of day-to-day life with a truly luxurious escape to St. Lucia. Nestled on its northern coast, the Cap Maison Oceanview villa with pool promises everything you need to enjoy a worry-free escape in the lap of luxury.

Set on the sprawling grounds of the beautiful Cap Maison Resort, the 2 Bed Oceanview villa with pool is truly a sight for sore eyes. As you enter the villa, you immediately can't help but be wowed by the beautiful rustic decor that blends Caribbean tradition with modern simplicity. A gorgeous spacious living room marks the centre of the home, opening up before your eyes and leading out onto a tiled patio. Rich deep wood tones pop against the clean whitewashed walls while on-trend soft furnishings add a final burst of colour to the room.

Adjacent to the living room is a fully-equipped kitchen where you can whip up delicious meals for your group and a spacious dining area. When the sun's shining, which it is most days in St. Lucia, additional dining facilities are located out on the terrace - perfect for al fresco dining and socialising in the open air.

Two beautiful airy bedrooms are yours to choose from, each decorated in simple traditional style with a flat-screen TV, a private en-suite bathroom and private terrace access.

In the garden, your terrace provides additional space for lounging, sunbathing and simply relaxing. And best of all, this property comes with its own private swimming pool for you and your guests to enjoy whenever you like, however you like.

Additionally, you'll benefit from the use of the wider Cap Maison facilities as a villa guest. Take the night off from cooking with dinner at one of their world-class restaurants or invite a private chef to cook for you in the comfort of your villa.

Location & Local Information

Cap Maison Resort and Spa is located right on the northernmost shore of St. Lucia, so be prepared for a long transfer from the airport when you arrive - even with a private transfer. If you're flying into Hewanorra Airport then a direct transfer will take around an hour and 45 minutes, while transfers from Castries (if you're flying in from another Caribbean island or disembarking from a cruise) take around 30 minutes.

Don't let the transfer time put you off though - the journey itself is more than worth the time spent. Winding through St. Lucia's majestic mountains and forests, you'll be able to take in the beauty of this island paradise from the moment you touch down.

Once at Cap Maison, you'll immediately notice how quiet and tranquil the immediate surroundings are. Set far back from any major cities or residential areas, Cap Maison is the perfect place to escape to. However, for those times when you do want to get out and let your hair down, Rodney Bay and Gros Islet are just a 15-minute car ride away.

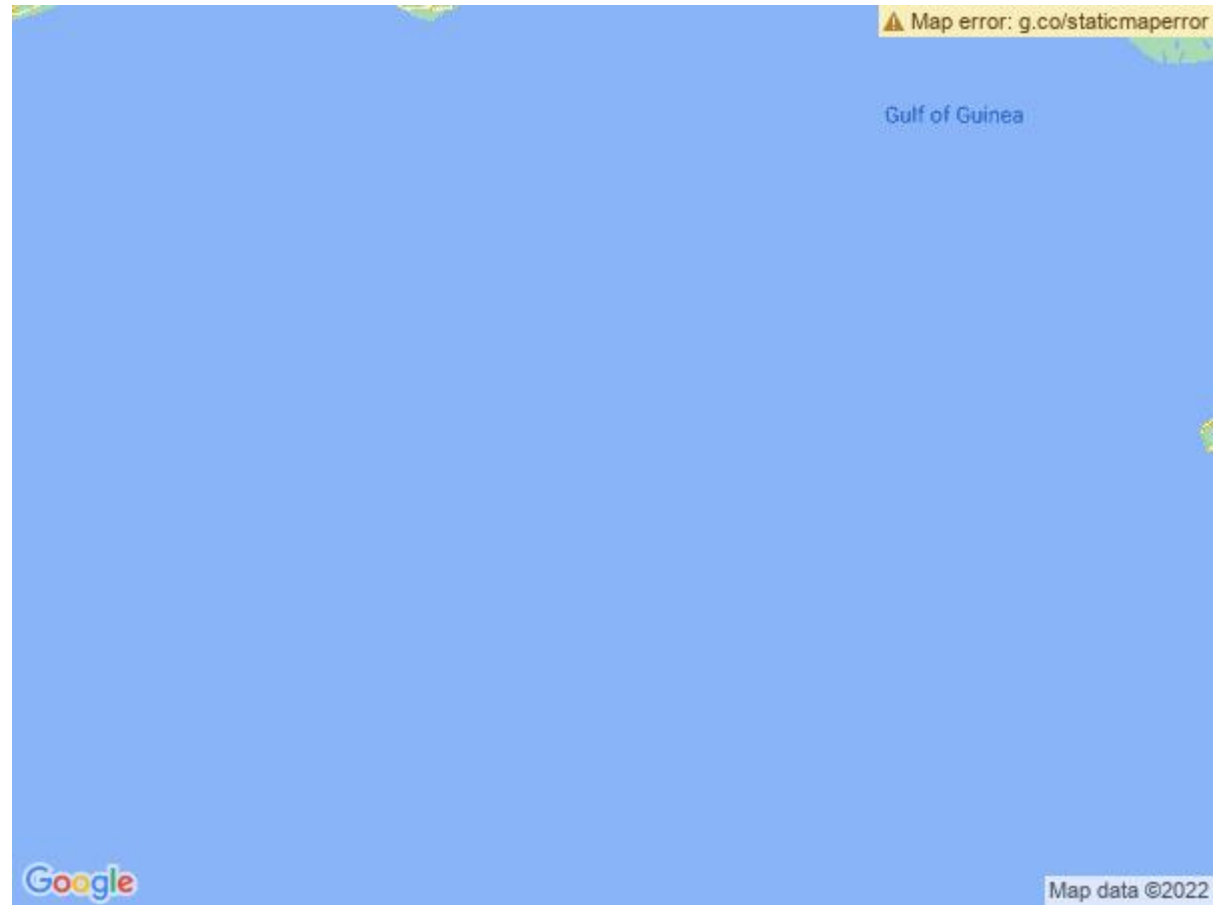

With a lively atmosphere, especially during the weekly Friday Night Jump Up, these beachfront towns are a great place to visit. Discover delightful local cuisine, sample some of the finest rum in the Caribbean and hit the shops.

You're also just a 30-minute drive away from Castries, the island's capital city. If you have time, do take the chance to visit Castries and learn all about the island's colourful history - including tales of real-life pirates that hid out on St. Lucia.

Closer to home, your nearest beach is known locally as Smugglers Cove and is set just a five-minute walk away from your villa.

What you should know...

- Cap Maison is quite a quiet resort with no kids club and limited activities for kids, so it is more suitable for older families.
