# Location & Local Information

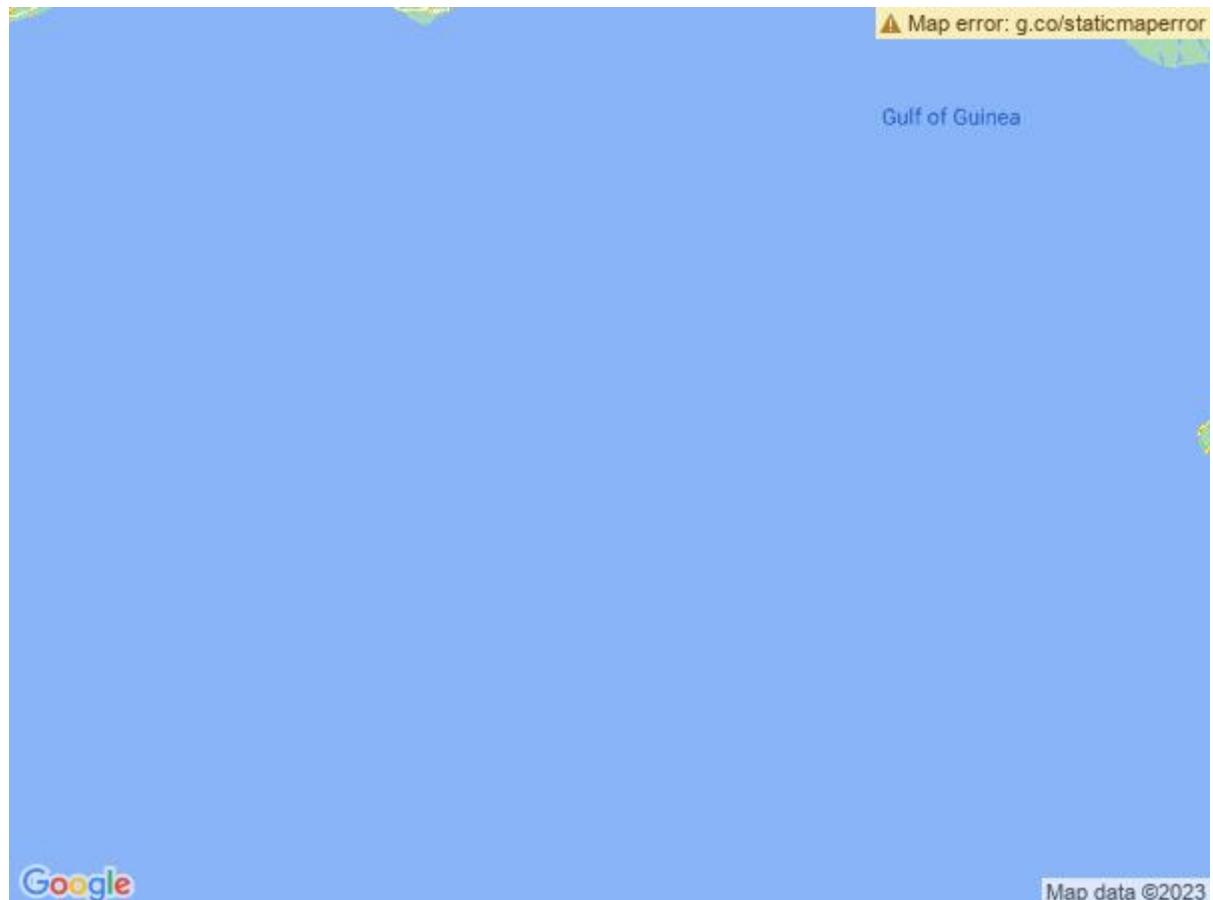

The gorgeous Cap Maison resort sits on the northern edge of St. Lucia, overlooking the calm waters of the Caribbean Sea. From Hewanorra Airport, you can expect a transfer time of around an hour and 45 minutes as the drive to the resort takes you through St. Lucia's dramatic hillsides and forests - but once you've arrived, you've arrived to style. If you're arriving at St. Lucia via cruise ship or a flight from another Caribbean island as part of a wider trip then you'll likely arrive in Castries which is around a 30-minute drive from your Cap Maison 2 Bed Oceanview pool and terrace.

Once at Cap Maison, you're just a short walk away from a lovely little sandy beach known locally as Smugglers Cove. This cosy cove opens up onto a quiet stretch of the Caribbean Sea where kids and adults alike love to snorkel around the reefs looking for the various sea life that call it home.

In the nearby area, you can enjoy a variety of activities including golf with a number of excellent golf courses just a short drive away from the resort.

About ten minutes away to the south-west of Cap Maison is the world-famous Pigeon Island National Park. Home to some of the best coral reefs in the world, Pigeon Island National Park is a must-see for lovers of all things nature, both above and below sea level.

Slightly further south, you can visit Rodney Bay, a lively town on the seafront with some of the best street food that St. Lucia has to offer and a lively social scene. Gorgeous beaches, like the sandy Reduit Beach, back onto Rodney Bay making it a great spot for a day away from your villa.

## What we love

- The rooftop terrace and pool are perfect for making the most of the sun.
- Although Cap Maison is quite set remote, the towns of Rodney Bay and Gros Islet are only a 15-minute drive away.
- We loved being able to book a private chef for the villa, allowing us to enjoy a romantic restaurant-quality meal without having to leave the villa.

## What you should know...

- Use of additional facilities around Cap Maison, such as the restaurants, may incur additional charges.
- The rooftop pool is relatively short in length and more of a plunge-style pool rather than a swimming pool.
- Cap Maison is a relatively quiet resort so it may not be a suitable choice for groups looking for a lively villa break.
