

Cap Maison Oceanview Pool & Terrace Villa (3 bed)

Region: St Lucia Sleeps: 2 - 6

Overview

Step into your dream home-away-from-home with the Cap Maison 3 Bed Oceanview pool and terrace. Located on the highly sought-after Cap Maison resort, the Cap Maison 3 Bed Oceanview pool and terrace is a beautiful mix of traditional Caribbean architecture and modern flair with stunning views over the Caribbean Sea.

Stepping into the villa upon first arrival, a generous foyer offers privacy for houseguests before leading into a fully-equipped modern kitchen complete with an adjacent dining nook, perfect for light bites and coffee breaks. Behind the kitchen, the space opens up to reveal a laid-back combination living room and diner dressed in traditional Caribbean furnishings and set amongst dramatic wood-beamed ceilings. To the rear of the main living space, patio doors open up to provide access to a breezy veranda complete with lounge furniture and additional dining space.

Three comfortable bedrooms are at your disposal during your stay, located across two separate wings of the villa. Bedrooms one and two are located in one wing and interconnect with one another, making them ideal for families with young children. The master bedroom of this wing has a large room with a king-size bed, access to a private balcony and a private en-suite bathroom with a bathtub. The second bedroom is slightly smaller, though it also has a king-size bed and access to a private balcony. The second room also has a private en-suite bathroom, although this room only has a shower.

In the opposite wing of the villa, bedroom three is another large room with a king-size bed, an in-room seating area, access to a private verandah and a private en-suite bathroom. All rooms feature a flat-screen TV with cable, and air conditioning for your comfort.

While the main living space is contained on one level, an additional outdoor living space has been meticulously designed on the villa's rooftop. This trendy rooftop terrace features additional covered seating space, loungers for sunbathing and a private plunge pool.

Cap Maison 3 Bed Oceanview pool and terrace is a serviced villa, meaning that staff will be on hand to assist with the day-to-day property management so you and your group can focus on relaxing. From housekeepers to pool cleaners and gardeners, the property will be kept immaculate throughout your

stay without having to lift a finger.

Location & Local Information

The Cap Maison 3 Bed Oceanview pool and terrace has one of the most enviable locations in all of St. Lucia. Located on a pristine stretch of northern coastline, the Cap Maison resort offers stunning views all around and a peaceful atmosphere. With a relatively tucked away location, Cap Maison avoids the hustle and bustle of most tourist-centric areas around the island, providing you with a laid-back and tranquil experience during your stay.

Cap Maison's northerly location does, however, mean that it can take slightly longer to reach than other properties in St. Lucia, but trust us when we say it's worth the journey. If you're flying into Hewanorra Airport, then it will take around an hour and 45 minutes to drive to Cap Maison. If you're arriving in St. Lucia via Castries then the journey is slightly shorter at around 30 minutes in a car.

Despite its set-back location, it's pretty easy to get out and about when staying at Cap Maison 3 Bed Oceanview pool and terrace with a handful of major towns and social centres for the island just a short hop away. Rodney Bay and Gros Islet sit about 15 minutes to the south of Cap Maison, while Castries is about 30 minutes away.

In Rodney Bay and Gros Islet you can get a taste of everyday life for St. Lucians with fantastic local diners, bars and boutiques lining the seafront while in Castries you can take in the wonderful culture and heritage that has made St. Lucia what it is today.

What we love

- The rooftop location of the plunge pool and terrace offered plenty of privacy and seclusion without having to sacrifice sun coverage.
- The views of the Caribbean Sea from the rooftop are absolutely breathtaking.
- The restaurants at Cap Maison were some of the best we've ever dined in, and being able to invite the chefs to privately cook for us at the villa was just fantastic.

What you should know...

- The rooftop pool is a plunge style pool rather than a swimming pool.
- Use of additional facilities around Cap Maison, like the spa and dining facilities, may incur additional charges.
- Cap Maison is located in a relatively quiet part of the island, so you'll need to head into larger towns like Rodney Bay or Gros Islet for nightlife and dining outside of the resort.
