Location & Local Information

Villa Lausanne can be found in the inspiring region of Santa Eulalia, a region that is well recognised for its diverse range of tourist attractions and hotspots. This destination is also known for its acclaimed food scene, blending a range of worldly dishes in one remarkable place. Higo is an extremely eccentric restaurant that collates an assortment of Peruvian and Japanese cuisines, creating a true flavour fusion. This restaurant also runs its own hydroculture, meaning that all of the dishes contain fresh produce that is grown on its own grounds. Guests can taste a plethora of authentic ceviche, tataki, yakitori, and sushi, giving them the chance to delve into new cultures and customs. Higo can be found just over 5-minutes away from the centre of Santa Eulalia and welcomes guests every day, except Sunday, from 7 pm till 1 am.

If you are looking to experience all that Santa Eulalia has to offer in a completely new way, an e-bike tour is a perfect experience. These tours are conducted by Hasha Ibiza and allow guests to travel around the region using a state-of-the-art bike. These bikes are also fitted with a pedal-assisted motor, meaning that guests can travel at speed and do not have to worry about getting caught in the hot sun. This establishment also provides tours of varying lengths from 14km to 43km, allowing tourists to customise their journey in whichever way they like. A standard Hasha Ibiza tour begins in Siesta, which is around 5-minutes away, and guests must be a minimum of 155cm to take part.

Golf Ibiza is a very expansive attraction that is highly acclaimed for its range of sports facilities. This institution offers two 18-hole courses that are open all throughout the year, meaning that tourists will never miss a chance to visit. Alongside the beautifully crafted courses, there is a range of golfing amenities on offer, such as a full-sized driving range as well as a putting green. Thus, guests can brush up on their existing skills before embarking on a full game. There is also a fine dining restaurant on-site, giving guests the opportunity to refresh and recharge after a lengthy game. Golf Ibiza is based around 10-minutes away from the centre of Santa Eulalia.
