

One Bedroom Pool Villa

Region: The Slate Sleeps: 2

Overview

Designed with your comfort in mind, the One Bedroom Pool Villa invites discerning travellers to relax and unwind. Sleeping up to three guests at a time, this cosy villa has all you need to enjoy a luxurious break in the sun.

One Bedroom Pool Villa is split across two buildings flanked by beautifully landscaped tropical gardens.

The first building, your sleeping space, features a large bedroom that leads out onto a spacious patio with its own day bed and a set of sunbeds. Its bathroom allows seamless transitions between its features, including twin sinks, two toilets and a rainfall shower.

The main living space has a large living room that faces toward a satellite TV and has a sofa that a third guest can sleep on. Behind the living room is a cosy dining area for the days you want to indulge in a spot of room service. A small toilet room is located in this building.

A second patio sits away from the living space with two big day beds offering comfort beneath the sun. In-room massages are also available with the addition of a dedicated massage room that offers two beds, a changing room and a shower for cleaning off.

In the garden, you'll find a large private swimming pool that is yours to use whenever you want it, surrounded by shady tropical trees.

Throughout your stay, One Bedroom Pool Villa benefits from the services of its own dedicated butler. Should you require any assistance during your visit, be that looking for day trip recommendations or organising transfers, just ask your butler.

Beyond One Bedroom Pool Villa, there are plenty of activities in and around The Slate. Designed with the area's rich tin heritage in mind, The Slate is very proud of its Thai roots which can be seen throughout the resort, from its architecture to delicious Thai dining opportunities.

You can take a dip in one of the resort's additional public pools or unwind at the spa. Kids can even some time away from their parents at The Box Kids Club, a dedicated play space for kids with trained staff guiding them in

activities and games.

As guests at the exclusive One Bedroom Pool Villa, you get to enjoy additional perks like a daily delivery of tropical fruit and afternoon tea service.

Location & Local Information

One Bedroom Pool Villa is located within the grounds of the fabulous The Slate resort, one of Phuket's most luxurious properties. Set back from Nai Yang Beach and flanked by rich tropical greenery, One Bedroom Pool Villa is a paradise within a paradise.

Getting to the villa to start your adventure is super easy as the property is just a ten-minute drive from Phuket Airport. The short transfer is especially useful when travelling with children who may be uncomfortable after a long flight.

The backdrop to The Slate is Nai Yang Beach, which can be accessed via its rear entrance, one of Phuket's most popular beaches. When you feel like taking a break from life at the villa, you can hit the beach and mingle with locals and other tourists alike.

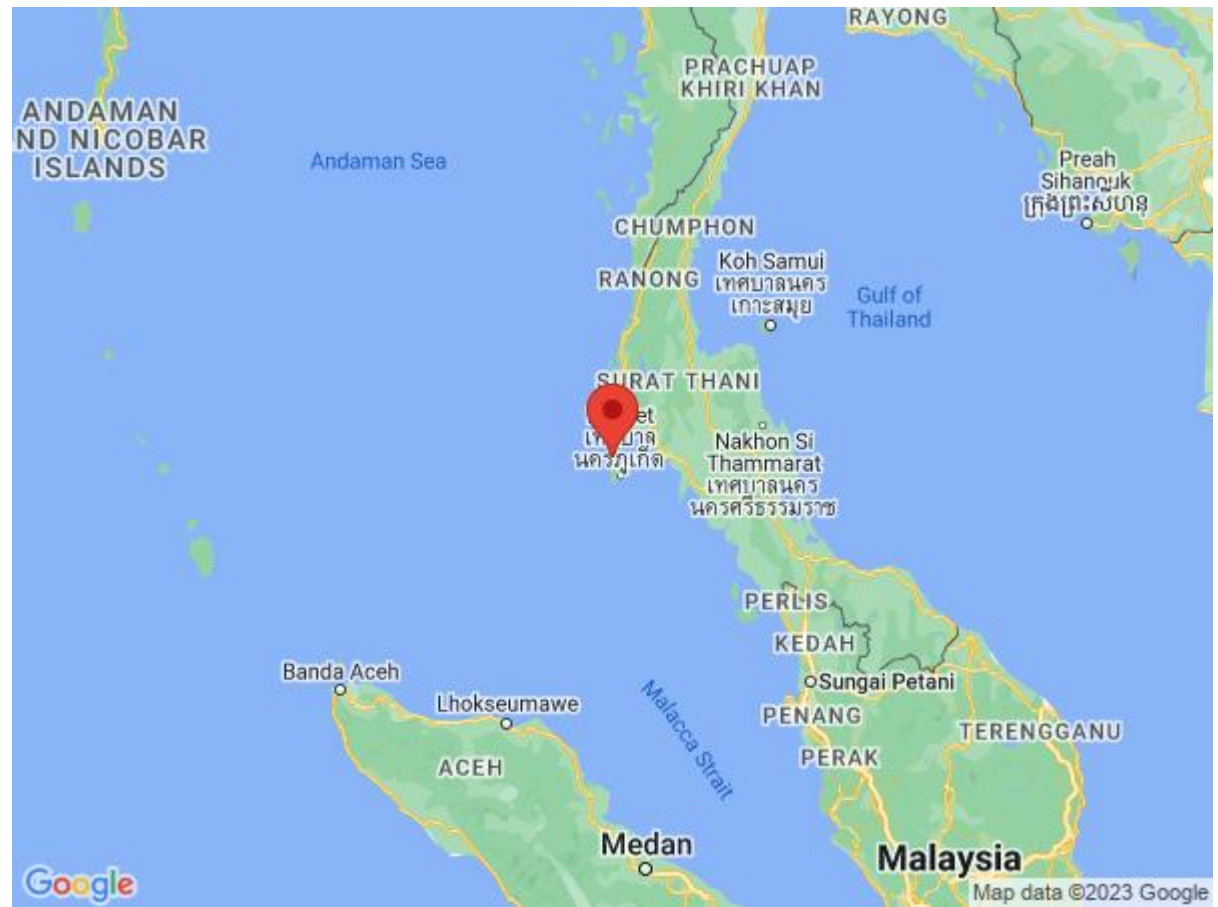

One of the most popular activities for beachgoers is to enjoy a beach massage from one of the many local masseurs who offer their services to people as they unwind on the golden sands.

Lines of bars, shops and dining spaces line the walkways of Nai Yang, providing plenty of opportunities to shop and expand your culinary horizons.

The centre of a small village is located just a short walk away from The Slate's main entrance, where you'll find a few more food outlets and a convenience store.
