

Two Bedroom Pool Villa

Region: The Slate Sleeps: 4

Overview

Make your next break one to remember with the Two Bedroom Pool Villa, an exclusive villa located on The Slate in Phuket. Split across three buildings and wrapped around a large swimming pool, the Two Bedroom Pool Villa provides plenty of space for friends and families to come together to spend quality time together.

The first building has a large open plan living and sleeping space drenched in natural light from its floor-to-ceiling windows. The large double bed overlooks the swimming pool and has views of a widescreen satellite TV for relaxation. Comfortable chairs and lounging furniture are dotted about the room for your comfort, as is a deep soaking tub. The main bathroom is located to the rear, with twin sinks and shower facilities.

The second building features a comfortable living area for the group to come together, featuring a dining table and a lounge with sofas and chairs gathered around a communal satellite TV. Besides the living space is a private massage room, where you can invite The Slate's expert wellness team to work their magic on your aching joints. To the rear of the massage room is a sauna for cleaning off after treatments and a small sauna.

The final building has a similar layout to the first, however, it is the smaller of the two. A comfortable double bed and lounging furniture look towards a wall-mounted TV and over the swimming pool while a plunge pool sits in the corner. Its bathroom is sleek and modern with twin sinks, a toilet and a refreshing rainfall shower.

Outside, a large deck wraps around all of the buildings, providing comfortable lounging furniture like day beds, sunbeds, and tables for outdoor dining. A large swimming pool sits as the focal point of the garden, evoking images of an oasis with its leafy surroundings and clear blue water.

As guests at the Two Bedroom Pool Villa, you and your party will enjoy the services of a personal butler who will strive to ensure your stay is as stress-free and enjoyable as possible. You'll also enjoy a daily afternoon tea service and a delivery of fresh tropical fruits.

While staying at The Slate, you have access to their many amenities including their communal lagoon pool, gym, wellness centre, delicious restaurants and

laid-back bars.
