Location & Local Information

Iconic and world-famous, Ibiza town has the best of everything that Mediterranean island life has to offer. The port city has top restaurants, renowned nightclubs, and world-class shopping, and its instagrammable backdrops make it one of Europe's most sought-after destinations. And if it wasn't clear that the town is an absolute must-see, just take a look at the number of famous faces who return year after year to be seen at the luxury hotels and spectacular beaches.

There's also a rich cultural heritage that comes with Ibiza town, which locals are understandably proud of. Visitors can take their pick from the old town and the new town, each with its own charms. The old town, the Dalt Vila, has been named a UNESCO World Heritage Site, and much of the architecture and layout of the area has remained untouched since it was built in the 1600s. There's also a gothic cathedral with stunning views of the coastline, as well as a fantastic array of museums, galleries, eateries, and local crafts shops. You'll really feel like you're walking through history as you meander the narrow cobbled streets and see everything the town has to offer.

A trip to Ibiza isn't complete without hitting the beaches, and Ibiza town has easy access to some of the best beaches on the island! Cala Bassa's reputation precedes it, and it's easy to see why when you see its crystal clear water and white sands. The beach is a popular area for boats and water sports, but there's a designated area for swimmers too. Pick a shady spot, and people watch or marvel at the daredevils who come here to jump off the rocks.

And we can't give an overview of Ibiza town without a shout-out to the nightlife. There are far too many clubs to list here, but Pacha, Amnesia, and Privilege are just a few of the legendary late-night powerhouses in Ibiza. Those wanting to explore the nightlife further afield can use the Discobus to get from one club to the other, and wherever you end up, you won't be disappointed.
