## Overview

Meribel is a very pretty ski resort which enjoys 150km of pistes. It is part of the Three Valleys along with Courchevel and Val Thorens giving access to a magnificent 600km of pistes. Meribel has retained its mountain village charm within a gorgeous forest setting. Aside from its sensational slopes, the town enjoys many fantastic facilities including its Olympic sports complex, a wonderful array of shops, bars, ski hire shops and restaurants. The resort offers excellent facilities for children with children's clubs, a swimming pool, climbing wall, ice rink and spa as well as plenty of snowy activities such as tobogganing, igloo making, torch descents and a moon park. With easy access to the Three Valleys ski area, Meribel is one of the most popular destinations for British skiers. Guests stay in typical, characterful, wooden chalets, admire spectacular mountain scenery, ski in one of the largest and most impressive ski domains in the world and let their hair down at the end of the day at one of the town's renowned apres-ski bars.

Chalet Macoun is perfect for friends or families. It is cosy, very characterful, it enjoys beautiful snowy views and is full of sumptuous, comfy furnishings. The living space on the ground floor enjoys a huge open fireplace that makes the room come alive when lit. As much as the bars and restaurants of Meribel are brilliant, this particular chalet is perfect for cosy nights in. You can sink into sofas and chairs in front of the fire playing family board games or watching the television. A large double opening leads you to the open plan kitchen and dining area which is totally gorgeous. The chefs in your group can cook hearty breakfasts or delicious evening meals while being sociable with the rest of the group. The kitchen and dining space is very inviting with cute little hearts cut out of the wooden doors. You can head out to the balcony which wraps around the front of the chalet and boasts fantastic views over its wonderful alpine

surroundings. The ground floor is also home to a delightful twin bedroom with the beds placed next to each other. Crisp cottons, cosy duvets and gorgeous soft furnishings adorn the beds ensuring a good night's sleep. There is a bathroom and toilet on this level too.

The first floor is home to three bedrooms, one a cosy single, another fabulous twin with access to a balcony and the last, a double with an ensuite shower room and balcony access. There is also an outstanding family bathroom with a bath and overhead shower and smart tiling. The upper bedrooms feature sloping ceilings which are very atmospheric.
