## Location & Local Information

Villa Mayans is situated in the beautiful, rural village of Santa Gertrudis - one of Ibiza's most beautiful areas and a favourite with locals and visitors alike. Guests come here to enjoy its laid-back yet lively atmosphere, beautiful village square, and agricultural scenery, which is home to fruit orchards, sheep, goats, and the island's only dairy cows. Steeped in tradition, Santa Gertrudis' main village square is overlooked by its whitewashed fortress church and distinctive yellow tower and features a pedestrian-friendly plaza where you'll find plenty in the way of bars, restaurants and shops.

This charming little village is popular with tourists thanks to its quiet, family-friendly vibe, where children play in the beautifully lit square or fabulous playground late into the evening while families dine on the terraces. There are little boutiques and arts and crafts shops open day and night here, so visitors can often be seen strolling through the streets long after the sun has gone down, enjoying Santa Gertrudis' sophisticated, bohemian vibe. The village is home to many artists, musicians and sculptors, and you'll find their works everywhere here in the local galleries, and most famously at Bar Costa, where during the hippy era of the 60s, penniless artists would come to swap paintings for food.

The surrounding areas of Santa Gertrudis are home to a variety of fruit and vegetable farms that supply the local restaurants with fresh produce, so whether you're craving classic Spanish tapas, hearty Italian food, or delicious and innovative vegetarian and vegan options, you'll be spoilt for choice during your stay in the village. We recommend dining at Gitano, whose dining terrace is one of the loveliest spots in the village. Cocktail lovers will be in their element here, as the restaurant has a long and extensive list to choose from, and the food is first-rate, with a menu that includes ceviche, wonderfully light tempura and the most incredible sushi. Another popular restaurant in the village is Wild Beets, a stylishly contemporary plant-based restaurant that is popular with vegans and non-vegans alike and is famous for its clean, mostly raw, Instagram-friendly dishes. For those who enjoy fusion cuisine, there's La Paloma restaurant, popular with locals as well as tourists - and even a few celebs! - this Italian-Israeli-run restaurant offers an exciting Mediterranean/Middle-Eastern/North African fusion menu, offering excellent salads, solomillo steak and chicken shawarma, among other tempting dishes.
