Location & Local Information

Villa Aleena is located in the popular town of Podstrana. The famous Old Town of Split is 10km to the west, and the historic, pretty town of Omis and the magical Cetina River are roughly 13km to the east. It is a fabulous location for a holiday packed with adventure, stunning scenery, gastronomic delights and relaxation. Active guests will be delighted with the golf and tennis just close to the villa in addition to the watersports available on the beach, hiking, biking and all sorts of thrilling activities on the Cetina River.

Split is a very attractive seafront gem combining honeycombs of intricate historical buildings, including the wonderful Diocletian's Palace, with a cosmopolitan, palm-sprinkled promenade offering tourists a fabulous vibrant holiday experience. The town's atmospheric, narrow streets are brimming with ancient monuments, charming restaurants, cafes, bars and a good variety of shops. Split oozes a laid-back vibe. The main city beach, Bacvice, is both a perfect place to relax during the day and a popular night-time jaunt in the evening. You can easily take trips to the stunning islands of Hvar, Vis and Brač from Split. Popular with the rich and famous, Hvar is glitzy and boasts a marina full of luxury yachts. Brač is beautiful and home to the famous Zlatni Rat Beach at Bol, which adorns most Croatian holiday posters. Vis is a gorgeous, remote, craggy island with a laid-back rural vibe.

Omis, 13km along the coast, is known as the City of Pirates. It is situated at the mouth of the Cetina River and is home to many churches, the 13th-century Fortress Mirabella and the 15th-century Fortress Starigrad. The town is known for its delicious gastronomy and boasts outstanding restaurants serving fresh, locally caught fish and smoked ham. Shopping is excellent in Omis. The town's Klapa Festival during the summer is good fun with Capella singing in churches and squares in the old town, plus there are some amusing pirate displays.

Flowing from the Dinara mountains, the Cetina River is action-packed with an awesome zipline, canyoning, river tubing, rafting and kayaking. You can even rent see-through kayaks so that you can explore flora and fauna when you are paddling down the river. Thrilling rafting takes place in the northern part of the river, where there are exciting rapids and challenging waterfalls to descend. White water rafting takes place in a section of 10km starting north of Kucice and passes one of the prettiest beaches, Stuzica. The rafting ends in the village of Blato na Cetini, which is a great lunch stop. Canyoning is not for the faint-hearted! Expert guides will help adventurous guests plunge into newly discovered rocky areas and clear waters, swim underneath powerful waterfalls, flow down naturally formed chutes and jump into emerald pools. The bravest can abseil down the 56m high Gubavica waterfall, providing the most exhilarating and unforgettable experience. Paragliding is also very

popular, with instructors taking younger visitors on tandem flights.

On the other side of Split, you can visit another gem, Trogir. This wonderful walled city boasts historical buildings such as the Cipiko Palaces and St. Lawrence Cathedral. In the evening, everyone leaves the knotted, maze-like marble streets and gravitates to the graceful promenade lined with cafes, bars, restaurants and luxury yachts.
