

Villa Algarrobo

Region: Costa del Sol Sleeps: 12

Overview

Offering the ultimate in elegance and indulgence, Villa Algarrobo is a one-of-a-kind, stunning holiday home overlooking the dazzling Costa del Sol. If you have not visited before, the Costa del Sol offers a little bit of magic, drawing visitors in with its warm climate, stunning beaches and world-class golf courses.

The villa sits in a beautiful high location, with the La Concha Mountain behind and luscious golf courses guiding your eye towards the sea on the horizon. The nearby towns of Puerto Banus and Marbella enchant guests with their winding lanes, charming architecture, and beautiful harbours, where you can watch breathtaking sunsets in the evening before heading for a Michelin-star meal.

From the moment you arrive, the contemporary architecture of the villa hints at the sleek, modern interiors. Once through the front door, the hall opens like a cathedral, with 6-metre-high ceilings that take your breath away. Newly built, the villa has been immaculately designed, with an attention to detail that will meet the highest expectations for your holiday. The décor combines modern luxury with the exclusive ambience of a private home, so you can plan fabulous celebrations followed by cosy nights with your loved ones.

The main entertaining area in the property is large and open-plan, yet each living space has its own clear zone, so you can entertain in the kitchen, socialise around the dining table, and get cosy in the lounge. There are two dining areas, the first next to the fireplace, perfect for intimate meals, and the second with views of the La Concha mountains, ideal for a special occasion.

Each of the six bedrooms offers a private enclave, with en-suites and dressing rooms where you can embrace moments alone or as a couple. The main bedroom is vast, with a private terrace, outdoor shower, and walk-in wardrobe, leaving nothing left to be desired.

Of course, the villa would not be complete without a spectacular terrace, making guests want to spend as much time as possible outdoors. You can spend hours relaxing by the private pool or reclining by the poolside on a lounge looking out over the golf greens. To add to the indulgence, there is a smaller hot pool, perfect for sitting back and enjoying the views, as well as a private spa, sauna, Moroccan-inspired steam bath, ice water basin and a large

gym. With various seating areas spread around the terrace, guests can chase the sun and soak up every second in this stunning villa.

Location & Local Information

The remarkable, newly built Villa Algarrobo is located in the Costa del Sol, just a 10-minute drive from the beach of El Saladillo and a short distance from several world-class golf courses. Positioned high up, views stretch out across the surrounding golf greens to the sea beyond, creating a picturesque outlook and creating an air of tranquillity throughout the villa.

The Costa del Sol is ever popular with visitors. The average water temperature year-round is 18°C, so people travel all year round to relax on the beaches and explore the rich history of the towns and cities in the area. The southwestern part of the Costa del Sol is particularly developed and is always busy with tourists, yet the stunning inland mountains still remain largely untouched, offering all the peace and tranquillity you can imagine. From the villa itself, you can capture views of La Concha Mountain, and we highly recommend taking a trip to walk, hike and cycle around the beautiful, serene pathways that wind their way around the mountains.

When you do desire a little more hustle and bustle, Malaga, the largest city on the Costa del Sol, is nearby. As the birthplace of Pablo Picasso, the city is, of course, brimming with museums and art galleries, set among a beautiful cityscape of castles, cathedrals, and theatres. A little closer to home, Puerto Banus is just a short drive away, boasting luxury brand boutiques, markets, restaurants, clubs and bars and, of course, a beautiful harbour. A little further along the coast, you will find the bustling streets of Marbella and its picturesque old town. Think beachfront bars and sunset cocktails, followed by Michelin-star meals among the winding cobbled streets of the Old Town. The rich history of Marbella is easy to indulge in just by ambling around the ruins before heading to one of the world-renowned beaches for a dip in the sea!
