Location & Local Information

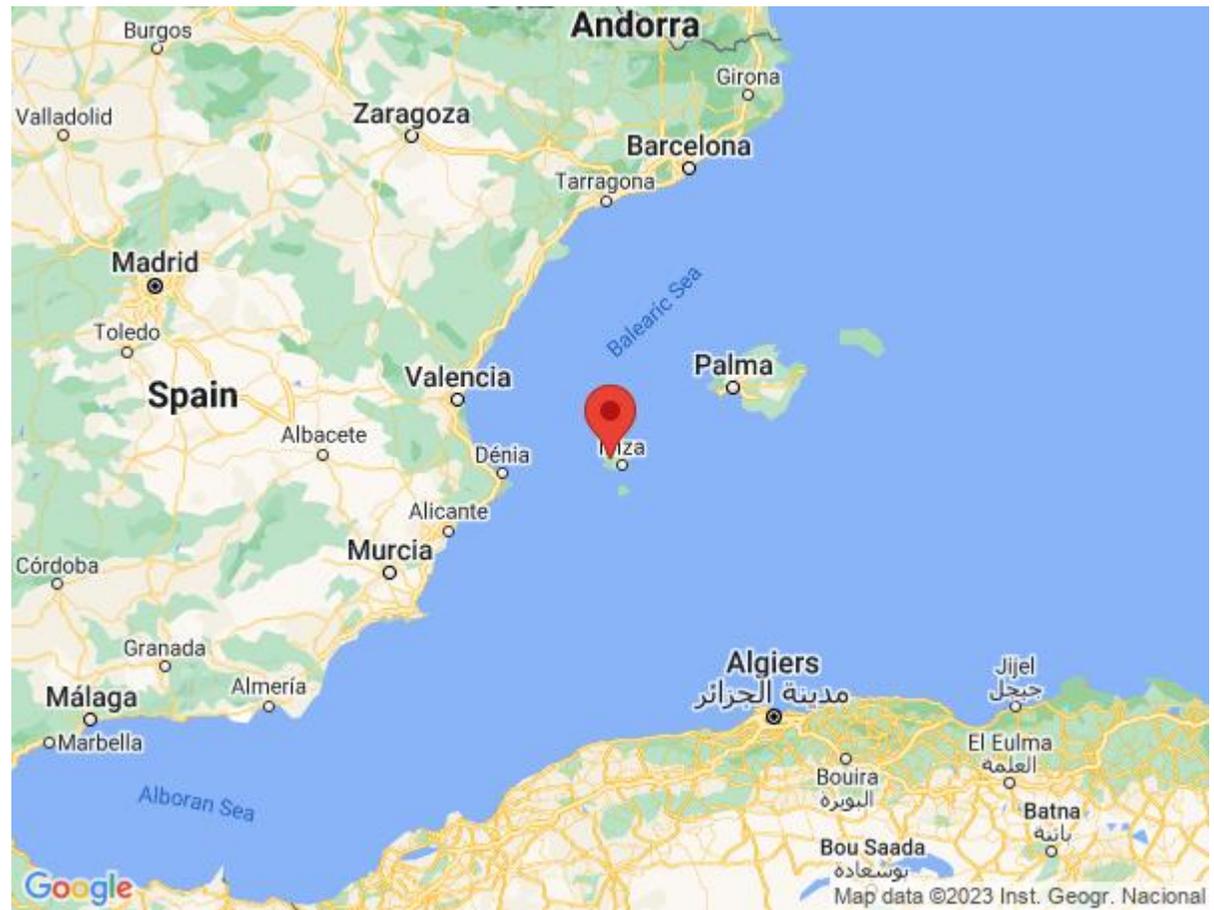

Can Vibra is located in San Josep, a pretty, white-washed village set slightly inland on Sa Talaia, Ibiza's tallest mountain. Dominated by its pretty church and enjoying beautiful coastal views, San Josep is bursting with traditional charm, and visitors come here to enjoy the friendly local atmosphere that is far removed from the island's world-famous party scene.

Life here is laidback and easy-going, and you'll find plenty of wonderful bars and restaurants to enjoy during your stay, giving you a chance to sample delicious Ibizencan cuisine, seafood and tapas. Souvenir-hunters will be pleased to know that there are also some lovely little shops in the village selling local handmade goods and fashions, antiques, and children's toys.

Just a km away from the villa is San Agustin, one of the best-preserved and prettiest villages on the island. With its picture postcard good looks and breathtaking panoramic views of the San Jose hills and countryside, a visit to this little hidden gem is highly recommended. The 19th-century Esglesia de Sant Agusti church, with its solid walls, cubic design and bell tower, is a wonderful example of Ibizenco architecture, and the traditional-style houses with their unusual chimneys and immaculately-trimmed hedges are real sight to behold. You'll discover a lovely little restaurant in the village that serves up local fare on a stunning terrace and even an art gallery.

If you have access to transportation, Can Vibra is approximately a ten-minute drive from the beaches of Cala Bassa and Cala Conta - two of the most spectacular on the island. Cala Bassa is popular with young families thanks to its wooden walkways that offer good access for those with pushchairs and for those with disabilities. The beach boasts clear, turquoise waters and soft, golden sands, with plenty to entertain adrenalin junkies as well, including jet skiing, as well as pedalo hire and banana boat rides. There's a good range of amenities here, including parasols, sunbeds, toilets, changing rooms, lifeguards, restaurants and bars - it's a great spot to bring the family and stay all day!

Cala Conta features the same fabulous amenities and is popular due to its shallow waters, snorkelling spots and fabulous island views. There are two stretches of sand here to enjoy; one backed by a rocky coastline and the other by sand dunes. It's worth noting that it's not recommended to swim out into the open sea from the beach, as there are very strong currents - so even strong, experienced swimmers should be cautious.
