What we love

- Villa Admetos is uber cool, the interiors are decorated with luxury minimalist chic, and yet combine some beautiful traditional artefacts with contemporary pieces
- The villa is ideal for a small family or friends sharing, the three bedrooms and spacious living area with a terrace that really is an outside living space, is the perfect size for some fun in the sun
- Villa Admetos enjoys great Aegean Sea views from the ground floor terrace, the infinity swimming pool, and master bedroom, there's nothing to beat breakfast watching the sunrise, and a cocktail or two as the sunsets.

What you should know...

- The villa commands stunning sea views, but it is about a kilometre walk to the beach and water, and the nearest organised beach is Agios Ioannis is a kilometre and a half away, albeit a lovely walk, and an easy journey by car
- We recommend a hire car to make the most of your holiday and see all of the sites and sights you wish to see
- The third bedroom doesn't have an en suite bathroom, the third bathroom is a separate facility.
