

Villa A Spiaggia

Region: Southern Corsica **Sleeps: 6 - 8**

Overview

Villa A Spiaggia is a fantastic Corsican villa with gorgeous views of the gulf of Porto Vecchio from its swimming pool and a little beach just 200m below. Close to a prestigious hotel with a gourmet restaurant and lounge bar, you are also well positioned for driving to one of the island's most iconic beaches, Plage de Palombaggia.

Watch ferries and sailing boats glide by as you sit out on the pretty stone terrace by your inviting holiday home. There is ample room to lounge al-fresco with a glass of Corsican rosé and a view of the sea or cook up a feast on the barbecue by the dining patio. Wander down the steps, admiring the Mediterranean plants around you, and find the sparkling swimming pool and its spacious poolside terrace.

Inside Villa A Spiaggia, the living and dining space is bright and airy whilst the contemporary kitchen is well-equipped. There are three bedrooms with space for 6 guests, including an en suite double and a twin with a mezzanine sleeping level above for two additional guests, bringing the total capacity to 8 guests. At the very top of the house, admire yet more vistas of the sea as you step out on to the master double's balcony and indulge in the bedroom's freestanding bathtub on a raised platform.

There's a little beach around 200m below the villa whilst some of Corsica's most famous coastal spots are within easy reach by car - Plage de Palombaggia is 7km away with its pine trees, white sands and turquoise coloured sea, so idyllic for scuba-diving.

Soak up the ambience of bustling Porto Vecchio with its natural harbour, marina and warren of charming lanes in the old quarter, and don't miss the exquisite town of Bonifacio, home to a historic citadel perched above the limestone cliffs.

The rugged interiors of the island also await whether you choose to follow the winding lanes towards Zonza and the Col de Bavella, spend the day hiking through La Forêt de l'Ospedale or seek out waterfalls and rockpools by the Cavu and Solenzara rivers.
