Location & Local Information

Villa Dorian enjoys a wonderful elevated position in Ornos village, close to Ornos Beach in the southwestern corner of this lovely island. It is a stunning, tranquil spot where you will enjoy magnificent sunsets, and glorious, uninterrupted sea views and will quickly unwind and relax.

Mykonos certainly adds a touch of glamour to the Greek Islands, competing with the likes of Ibiza. This wonderful island is brimming with gorgeous white sandy beaches, most offering buzzy beach bars and watersports. It also boasts a long list of nightclubs, a wonderful array of fine dining restaurants, vibrant cocktail bars, classy boutiques and charming whitewashed villages. It is little wonder that Mykonos is a celebrity hot spot. Even the most discerning of guests would be thoroughly impressed with Villa Dorian.

Ornos Beach is the closest to the capital so is very popular with buses making the journey very easy. It offers a diving school as well as waterskiing and windsurfing instruction. There are plenty of beach bars and fab restaurants. It can get very busy so you can also walk to the quieter Agios Ioannis and Kapari beaches. Other popular beaches include Kalo Livadi which is set in a valley sprinkled with sugar cubed homes. It comes with a stunning long ribbon of sand, sun loungers and straw umbrellas and some excellent watersports. With a laid back atmosphere, it is great for a relaxed beach day. Elia, Psarou, Paraga, Paradise, Kalafatis and Plati Gialos are all firm favourites. Elia Beach, on the south coast of the island, boasts Mykonos' longest sweep of sand. The rainbow flag at the end of the beach marks its LGBT stretch of sand. Paradise Beach and Super Paradise Beaches, also on the south coast, are the home of some of the island's most famous nightclubs.

You should definitely visit the lovely Ano Mera while on holiday. Sitting almost in the heart of the island, this picturesque village offers classical Cycladic beauty, quaint narrow streets, traditional tavernas, unique shops and its famous monastery of Panagia Tourliani. The monastery was built in the 15th century and is one of the main attractions of the whole island. Ano Mera's main square is pedestrianised and surrounded by charming cafes and tavernas that are renowned for their excellent Mykonian meats cooked on the spit and barbecue. You will also discover the 'Kopanisti' workshop where the local delicious spicy cheese is made.

You can either drive or take a bus to Mykonos Town, the island's capital. It boasts an enchanting warren of spidery, narrow lanes covered in bougainvillea. Lavished with picturesque churches, quirky art galleries, chic boutiques, jewellery shops and charming restaurants, visitors love an afternoon meander. The town's museums, the Archaeological Museum and the Aegean Maritime Museum are worth a stop. The ethereal beauty of Little Venice is a favourite haunt of highly acclaimed artists and Instagram followers. It is one of the most romantic places on the island with elegant old houses

sitting on the edge of the sea creating a magical aura and an abundance of buzzy bars.

Tourlos is located on the north side of the island, just 2.5km from Mykonos Town. It enjoys a magnificent port, a stop for many cruise ships, and a smart harbour. The houses are freshly painted with colourful shutters and draped in vibrant bougainvillea and other pretty flowers. Many celebrities have chosen to build luxury villas here. The Chapel of St George Spilianos, north of the harbour, is delightful. It is built into the cavity of a rock with a lovely ambience and where you can light a candle. Tourlos boasts a magical, organised beach with watersports.
