Location & Local Information

Casa Lujo Copal enjoys a very prestigious location in one of the best neighbourhoods in Marbella. Los Monteros is a famed beachside neighbourhood roughly 10 minutes from the centre of city. The famous Spanish banker Ignacio Coca constructed the Los Monteros Hotel in 1962 and, later, in 1965, the renowned Rio Real Golf Course. Since then, various distinguished estates have been built in the area. The hotel and spa resort runs the swanky La Cabane Beach Club on the seafront, which is very upmarket and popular, and the Playa Los Monteros enjoys a fantastic beach with excellent bars and restaurants.

Marbella is a fan-favourite tourist destination due to its wide selection of bucket-list attractions. This region is also well recognised for its irresistible range of golf courses, such as the impressive Los Naranjos Golf, which is based just over 20 minutes away from the villa. First built in 1997, this course has hosted a variety of world-class tournaments and events, such as the Spanish Open. It was designed by the acclaimed Robert Trent Jones Sr., a key figurehead within the golfing industry. Guests can meander through this large 18-hole course, refining their skills whilst taking in the awe-inspiring sights that surround them. This establishment also hosts a wide variety of state-of-the-art equipment, such as gloves and clubs and guests can enjoy an immersive game of golf without having to worry about a thing. Along with the Los Naranjos, there are plenty of other incredible courses for guests to enjoy close to the villa.

If you are looking to step out of your culinary comfort zone during your time in this region, a trip to Skina is an ideal way to do so. This exemplary restaurant was first founded in 2008 and has continued to grow into a much-loved establishment by both tourists and locals. It is best known for its Andalusian-style menu, allowing guests to step into a diverse and wonderful world of new food. Guests can delve into a collection of nuanced menu options, such as a delicious bowl of gazpacho as well as rich sardines that are skewered with fresh bamboo. Skina can be found within Marbella's Old Town, a must-see spot if you are in the area. Make sure to take a stroll through its narrow streets, do some shopping, and indulge in the delicious tapas and wine on offer!

Malaga is also a very popular resort with a historic centre, handsome streets, a vibrant gastronomic scene, wonderful museums, unique boutique shops and lively streets bustling with cafes and tapas bars. As the birthplace of Pablo Picasso, one of Malaga's main attractions is the museum dedicated to him, which is housed within the beautifully restored Buenavista Palace. Malaga is a foodie destination, with the Mercado Central de Atarazanas being very popular, and the brilliant Port of Malaga is lined with upmarket restaurants and bars. Roughly a 50-minute drive up the coast and passing by other lovely

towns, it is worth the drive!
