Location & Local Information

Marbella has grown into an incredibly popular and iconic tourist destination, showcasing a coveted collection of amazing attractions. If you are looking to uncover the depths surrounding Marbella's rich and mysterious religious history, a trip to Iglesia de Encarnacion is a must-do activity. In English, this monument is referred to as the Churches of Encarnacion and has been a prevalent landmark throughout the 18th century and beyond. It was originally defined as a Mosque and was a key place of worship for many Moorish citizens. However, due to the events of the Christian reconquest, it was transformed into a church. Guests can enter the church to discover more about the complex legacies that surround this region and how they impact modern-day citizens. Iglesia de Encarnacion is situated in the centre of Marbella, which is roughly a 13-minute drive from Villa Lujo Alma. Whilst there, be sure to take a stroll around the Old Town and do some shopping and grab a bite to eat!

Marbella is a fan-favourite tourist destination due to its wide selection of bucket-list attractions. This region is also well recognised for its irresistible range of golf courses, such as the impressive Los Naranjos Golf, which is based just over 20 minutes away from the villa. First built in 1997, this course has hosted a variety of world-class tournaments and events, such as the Spanish Open. It was designed by the acclaimed Robert Trent Jones Sr., a key figurehead within the golfing industry. Guests can meander through this large 18-hole course, refining their skills whilst taking in the awe-inspiring sights that surround them. This establishment also hosts a wide variety of state-of-the-art equipment, such as gloves and clubs and guests can enjoy an immersive game of golf without having to worry about a thing. Along with the Los Naranjos, there are plenty of other incredible courses for guests to enjoy close to the villa.

Malaga is also a very popular resort with a historic centre, handsome streets, a vibrant gastronomic scene, wonderful museums, unique boutique shops and lively streets bustling with cafes and tapas bars. As the birthplace of Pablo Picasso, one of Malaga's main attractions is the museum dedicated to him, which is housed within the beautifully restored Buenavista Palace. Malaga is a foodie destination, with the Mercado Central de Atarazanas being very popular, and the brilliant Port of Malaga is lined with upmarket restaurants and bars. Roughly a 50-minute drive up the coast and passing by other lovely towns, it is worth the drive!
