

Casa Teja

Region: Puerto Calero **Sleeps:** 6 - 10

Overview

A characteristic and homely villa based in the idyllic region of Puerto Calero, Casa Teja is a tremendous holiday home for those looking to elevate and accentuate their entire holiday experience. The exterior of this property is home to an immense swimming pool that is teeming with crystal-clear water. In turn, guests are free to use this space to cool off and unwind after a busy day of exploring everything this area has to offer. This property also showcases a stellar array of outdoor terraces, allowing guests to absorb the true beauty of this villa from a variety of breathtaking viewpoints.

Inside, this property is packed full of quirky and vibrant decor, making guests feel completely settled in their new home away from home. The living room contains a pair of brown leather sofas that have been expertly decorated with a collection of off-beat scatter cushions. As such, guests are encouraged to use this space to kick back and relax as they revel in the awe-inspiring outdoor views that sit close by. The dining area adheres to a remarkable sleek and modern theme, presenting a chic glass-topped table and a set of high-backed chairs. Thus, guests can use this space to enjoy a wealth of delicious meals in a deeply communal and attractive environment. The kitchen within this property is utterly marvellous, showcasing a range of ultra-modern cupboards and surfaces. As a result, guests will have access to everything they would need to prepare and serve a series of meals that the whole family is sure to love. The ground floor is also home to three stunning bedrooms. The first room contains a considerable king-sized bed, whereas the remaining two bedrooms both contain a pair of single beds. As such, these rooms are ideal for those who may find it difficult to climb a lot of stairs.

Travelling down to the basement level, this is where you'll find another two bedrooms. These rooms contain a king-sized bed and a pair of single beds, respectively. Therefore, these rooms are perfect for those who would rather be detached from the rest of the group.

Tourist License: E-35-3-0000525

Location & Local Information

Casa Teja is based just under 5 minutes away from the centre of Puerto Calero, a region that is well-recognised for its wide variety of unforgettable landmarks and thrilling attractions. If you wish to explore the nuances of this area from an entirely unique perspective, a scuba diving excursion is a must-do activity. Active Scuba Divers is a deeply prestigious attraction that can be found just a stone's throw away from the villa. During their time at this establishment, guests will work alongside a range of expert instructors who will provide them with essential safety equipment and briefings. Once they enter the water, guests will have the privilege of exploring a wealth of majestic sea creatures, helping them to enjoy a once-in-a-lifetime adventure.

For those who consider themselves to be avid wine connoisseurs, you must take a trip to the outstanding Bodega Guiguan. This immense winery collates a wide variety of talented winemakers who use their expertise to craft a plethora of artisan wines. Guests can also explore an abundance of home-grown produce, a majority of which has been elevated from the unique taste of Lanzarote's native volcanic soil. As such, guests are free to examine every element of this fascinating institution, deepening their understanding of how these delicious wines are produced on a daily basis. They will also have the chance to enjoy a diverse sampling platter so that they can savour these irresistible products for themselves. Bodega Guiguan is situated just 20 minutes away from Casa Teja.

Timanfaya National Park is one of the region's most popular attractions and is based just over 20 minutes away from the villa. This park was formed due to a tremendous collection of volcanic eruptions that occurred between 1730 and 1736. Nowadays, guests can explore these titanic structures in-depth, uncovering more about their history and the impact they have on the wider aspects of this region's legacy. This park is also home to a unique restaurant that prepares a vast selection of dishes using the residual heat from the earth's crust. As such, guests are encouraged to enjoy a deeply off-beat meal during their time at this considerable attraction.
