

Villa Alfeo

Region: Eastern Sicily **Sleeps: 6 - 12**

Overview

Sleek and sophisticated throughout, every element of this stunning villa has been carefully designed to make your stay as comfortable as possible. Located in a quiet residential area in Syracuse, guests benefit from the peace of a private villa, just two kilometres away from the sea and a few minutes' drive away from the beautiful Syracuse historic centre.

The villa itself can comfortably accommodate twelve guests with six spacious bedrooms and generous, open-plan living spaces, all spread across two adjacent units. As you open the front door, each unit leads straight into the main entertaining space, where a sparkling, modern kitchen, spacious dining area and sophisticated lounge all sit within one open-plan room. These bright spaces encourage everyone to gather, sharing laughter and conversation throughout the days and long into the evenings! With the layout across two units, Villa Alfeo is a brilliant option for two families travelling together, or several generations, where everyone can enjoy a little privacy, coming together when you choose. The furnishings are modern and stylish, making even little kids feel like one of the grown-ups, sinking down into large sofas or gathering around the dining table as others prepare delicious family feasts in the kitchen.

In each unit, there are three bedrooms, including a master en-suite, as well as two further double bedrooms and a family bathroom. Encapsulating the same contemporary design, these chic rooms feel like the luxury of a hotel room, yet with all the privacy of a private villa.

The living space leads out onto the sublime terrace where the two units meet. Outdoor furniture allows you to relax in the sun, reading books and dipping in the beautiful saltwater pool to cool off. Under the shaded light of a pergola there is a fantastic outdoor dining and lounge area, where you can sit, chat and relax for hours on end.

From the moment you arrive at Villa Alfeo, it is hard not to relax. Whether you are looking to spend long days by the pool, or venturing out each day to explore the likes of Noto, Modica, Ragusa Ibla and the nature reserves of Pantalica and Vendicari, there is something for everyone!

Location & Local Information

Villa Alfeo is located in a small residential area in Syracuse, where guests benefit from all the privacy of their own villa, just two kilometres away from the sea and a few minutes' drive away from the beautiful Syracuse historic centre. Nearby, you can explore the likes of Noto, Modica, Ragusa Ibla and the nature reserves of Pantalica and Vendicari, as well as all the renowned sites of Sicily.

The stunning shores of Sicily with its Baroque hilltop towns, ancient Greek temples, Roman theatres and iconic volcano make it no surprise that more and more visitors travel to this island year on year. One of Italy's top drawers, the outstanding food and delicious wine are the icing on the cake on this beautiful island.

Syracuse is situated in south-east Sicily, and it is one of the most stunning examples of those renowned Baroque cities. Syracuse is home to one of the greatest ancient Greek theatres that's still in use today, a Roman amphitheatre, picturesque piazzas, sandy beaches and olive-green seas. The beautiful town of Ragusa is within a ninety-minute drive, renowned for its jaw-dropping buildings and wonderful Piazza Duomo, brimming with bars and restaurants (a few Michelin star ones at that). En route to Ragusa, you should definitely stop of at Modica, with its world-renowned chocolate, beautiful churches, palazzi and bewitching buildings that line the narrow streets of Upper and Lower parts of the city.

Of course, one of the greatest allures of Sicily are the beaches, from crescent shaped sandy bays to rugged coastlines, rocky coves and long stretches of white sand, there is a different beach for each day and then some. For kids, there are water sports aplenty, with endless sources of entertainment for the whole family.

With so much to see and do, our favourite activity might still be enjoying an arancini with a chilled glass of local wine and a view – taking pause to fully absorb the serenity of Sicily.
