Location & Local Information

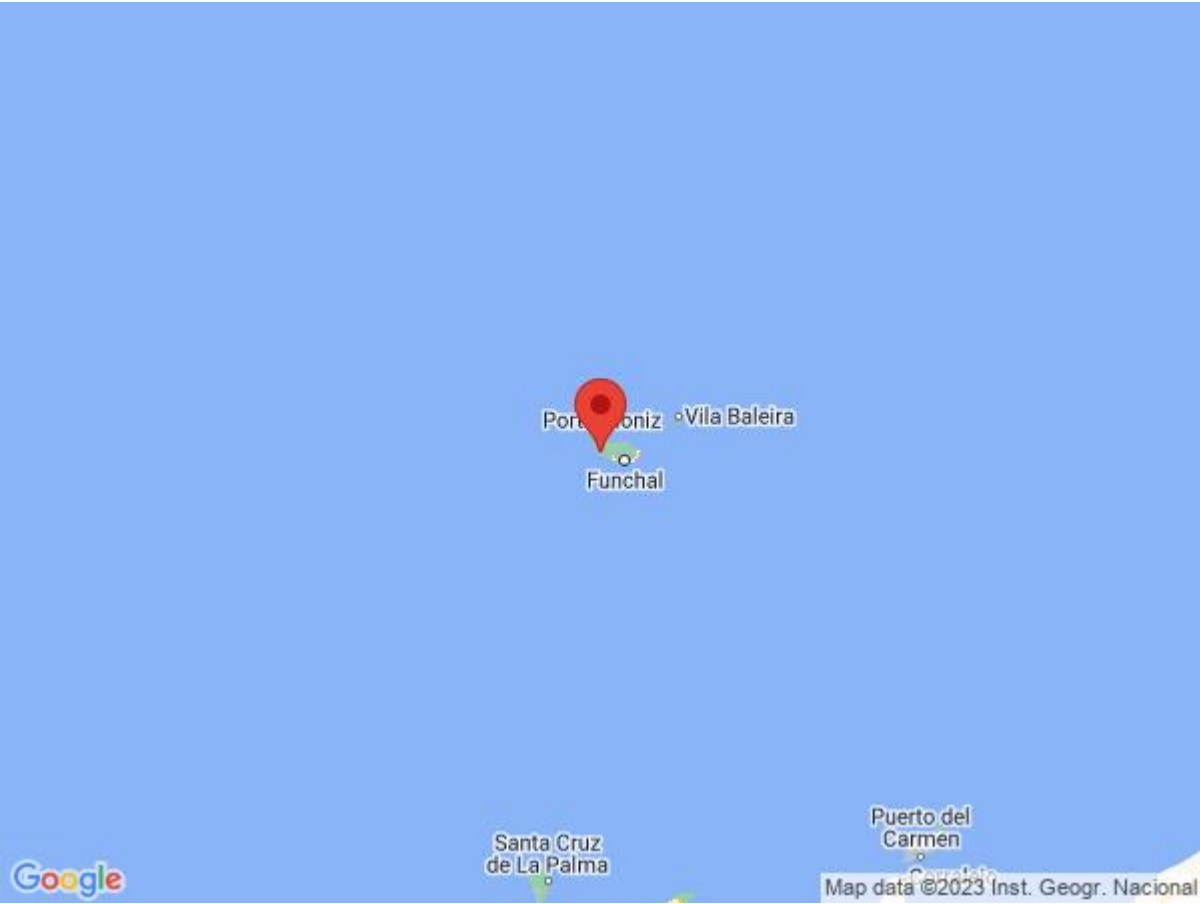

Villa Girao can be found just a short 5-minute drive away from the centre of Calheta, offering guests the opportunity to explore this thought-provoking region in a stress-free manner. One of Calheta's most prominent commodities is its wine, which can be found scattered throughout the many bars and restaurants throughout this region. Thus, guests are encouraged to explore each of these establishments in full, taking in the delicious taste of the artisan wine as well as the energetic atmosphere that surrounds them. If you wish to take a closer look at this production, you can embark on a guided tour of the Madeira Wine Institute. Here, guests will learn more about the crucial art of winemaking as well as how it has managed to boost the region's entire economy. The Madeira Wine Institute can be found just over 40 minutes away from the villa.

Casa du Mudas is an incredibly striking art gallery that can be found at the very top of a looming cliff. Thus, this attraction is able to offer awe-inspiring views of the local area as well as a wealth of remarkable contemporary art pieces. This establishment is filled to the brim with enticing pieces, including those crafted by geniuses such as Dali and Miro. Guests must explore every aspect of this bustling hub of culture, observing the nuances of the deeply eccentric European contemporary art scene. Casa du Mudas is located just over 5 minutes away from Villa Girao.

Since this region is well recognised for its rich biodiversity, a boat trip is a must-do activity for adventurous tourists. A majority of these tours depart from the local marina, which is situated around 10 minutes away from the villa. From here, guests will be taken to a series of remote and secluded bays, where they will be able to observe a collection of remarkable dolphins as they leap in and out of the peaceful water. Once you return back to the marina, make sure that you delve into the range of seafood dishes that can be found here. In turn, guests are free to enjoy delicacies such as fresh fish served with artisan olive oil and parsley as they watch the small boats float along the clear water.
