Location & Local Information

Villa Kalo Feta is the ideal place to immerse yourself in the Greek sunshine. Famed for its ancient volcanic eruption, Mykonos formed thousands of years ago and was the site of a battle between Zeus and the Titans. Head to the local beach, less than two kilometres away, for a relaxing afternoon. With the cooling waters of the Aegean Sea in front of you, you can bask under the sunshine, enjoying the sandy beach and shade of the parasols. Cafés and restaurants line the beach, offering a welcome rest from the sun's rays and refreshments to cool you and your families down.

The coastline around the island is speckled with beautiful beaches; take to the waters and explore all the hidden coves and sandy shores this island has to offer. Watersports fill the coastline and are a great way for the whole family to spend time together. Take a day trip to Mikonos town, one of the best-preserved, historic towns in Greece. Here you will be surrounded by classic, white-washed walls and streets, filled with cafes, and restaurants. Defined by the strong winds, the island is often referred to as the 'land of the wind' and has an iconic windmill landmark. 16th-century windmills overlook the Mykonos town and the sea beyond, topped with thatched rooftops and white-washed round buildings.

Nicknamed 'little Venice', Mykonos town looks out over the sea and is one of the most famous places to visit Mykonos. You and your loved ones will love watching the sunset over the sea from the waterfront. Watch the sparkling waves change colours as the sun disappears. From Mykonos, you and your family can visit neighbouring islands, venturing as far as the famous Santorini, taking less than two hours via ferry. Santorini is a famous volcanic island filled with white-washed buildings, walls and staircases, making the island the flagship of the Greek island.
