Location & Local Information

Apartment Stella is located at the top of a luxurious apartment complex situated in one of the most vibrant and exciting parts of Venice. Well-stocked supermarkets, interesting historical sights, and high-end bars and restaurants are just a short walk away, including the famous Alle Testiere, Bistrot de Venise, and the popular Osteria Al Portego, well-known for its delicious cicchetti, a delicious Italian tapas. The apartment is just a short distance from St. Mark's Square, one of the most famous piazzas in all of Italy, and which Napoleon once called the 'drawing room of Europe'. This incredibly beautiful spot is an absolute must-see while you are in Venice, and it is here that you'll find the famous St. Mark's Basilica, the jewel of the square and undoubtedly one of the most beautiful churches you'll ever see.

The basilica is full of stunning mosaics, relics of St. Mark himself, and perhaps most famous of all, the four bronze horses (that are actually made of copper!). Tours of the church interior are free of charge, but it is worth knowing that queues to enter this popular attraction can exceed 45 minutes at peak times, so Oliver recommends showing up early!

If you want to enjoy one of the most iconic views in all of Venice head to Campanile San Marco, a fantastic vantage point for looking out over the Doge's Palace, the basilica, and the Venetian Lagoon. Unlike some of the tower views in Italy, this one requires you to simply take an elevator to the top, rather than climbing hundreds of stairs - bonus!

For an afternoon of people-watching, refreshments and relaxation, you couldn't be in a better place, as there are several beautiful little cafes in the piazza, all serving excellent coffee and delicious pastries - often served with a side order of live music. Oliver recommends visiting Caffe Florian while you are here, which opened its doors in 1720 and is thought to be the oldest cafe in Europe. Enjoying an authentic Italian coffee in a 300-year-old cafe while overlooking a 1000-year-old church is certainly a once-in-a-lifetime experience!

It's hard to spend time in St. Mark's Square without noticing the impressive St. Mark's Clocktower, with its stunning blue face and gold zodiac symbols. To truly appreciate this 500-year-old masterpiece, we highly recommend booking a guided tour to enjoy the inside of this fascinating building.
