

Villa Bena Golf

Region: Marbella **Sleeps: 10**

Overview

Located in the prestigious area of Marbella Golf Club Resort in Benhavis sits this luxurious five-bedroom villa that will truly blow you away. Sleek interiors, contemporary furnishings, and beautiful sea and mountain views make this the ultimate spot for an elegant family holiday. Ultra-modern in design, whitewashed walls, marble flooring, and swathes of natural light sweeping through the ground floor make it a thoroughly attractive space. Move between the sumptuous living room with its chic style and dramatic floor-to-ceiling glass doors to the sophisticated dining room with seating for ten people. Luxurious extras include underfloor heating and a domotic system. When it comes to informal dining, step through to the equally striking kitchen, with its high-quality fittings and Gaggenau appliances, and enjoy a sociable meal at the huge table overlooking the pristine garden and the sea. Also, on this floor, you'll find two light and airy bedrooms with en-suite bathrooms and walk-in closets.

From the ground floor, an elevator and stairs lead to the first floor and three further bedrooms. The bedrooms are large and impressive, with banks of glass, shiny en-suite bathrooms, and terraces that invite you to step outside and soak up the far-reaching views. On the lower ground floor, you'll find a fitness area, plus a sauna and steam room, but if you don't fancy breaking a sweat, relax instead with a film on the cinema screen. Alternatively, rack up the balls on the billiard table.

On top of the property's gorgeous interior, you'll find an incredible outdoor space too. On the ground floor, glass doors from every room lead to a delightful terrace and landscaped garden. During the day, plunge into the first pool or take it easy on the shaded deck. You can also get in some laps in the second, larger pool or simply top up your tan on a lounge and stare at the superb views. Come evening, light the barbeque or prepare a delicious meal in the outdoor kitchen and dine alfresco. Although the villa is set in an exclusive gated area, it's only a 25-minute drive to Puerto Banus with its luxury marina, designer shops, fine dining, and glamorous nightlife.

Location & Local Information

Villa Bena Golf sits within the Marbella Golf Club Resort, an exclusive gated area offering exceptional living. Tucked away in the valleys of the Benahavis range, it's a unique place to live on the Costa del Sol. The surrounding pine and oak trees add to the tranquillity, while 24-hour security affords guests complete privacy. In addition, the resort boasts two prestigious, members-only golf courses plus a clubhouse where residents can meet for a quiet drink or a sociable meal. An equestrian centre also allows riders to discover the valleys on horseback.

The village of Benahavis lies 5 km from the resort and is a pretty village with cobbled streets, historic ruins and river walks. It's also known as the dining room of the Costa del Sol due to its abundance of Spanish restaurants and bars. Be sure to spend a few hours lingering over a meal here while soaking up the views of the Serrania de Ronda Mountains, or if you're feeling more adventurous, you can try your hand at canyoning through the gorges, waterfalls and plunge pools. Although the location is wonderfully tranquil, the Mediterranean shoreline is just a 15-minute drive away in Puerto Banus. The sandy beach here stretches for one kilometre, and you can enjoy swimming in the calm waters or charter a yacht and explore the coastline and its abundance of marine life. Alternatively, spend an afternoon browsing the designer shops, then head to the harbour for a bite to eat at one of the Michelin-starred restaurants. Enjoy fresh seafood while admiring the super yachts on the water, or simply relax with a drink and spot the rich and famous who frequent the area. Away from the seafront, there's an aquarium, multi-screen cinema and a five-floor Spanish department store, while on Saturdays, a colourful market is held in the bullring.

And when it comes to evening entertainment, Puerto Banus has something for everyone, with vibrant nightclubs, popular piano bars, and beach parties that attract a well-heeled crowd. Puerto Banus dates back to Roman times, and away from the glitz and glamour, archaeological remains can still be seen. Head to the heart of Puerto Banus, and you'll see the ruins of a Roman villa dating back to the late first or early second century.

What we love

- Villa Bena Golf includes a lift to all floors, which is perfect for less able-bodied guests
- Surrounded by countryside and with 24-hour security, the property offers the highest standards of privacy, tranquillity and luxury, plus magnificent sea and golf views
- Set in an exclusive, gated community, the villa is ideal for lovers of golf, with two prestigious golf courses on its doorstep
- The luxurious property boasts a stylish interior, high-quality fittings, and banks of glass windows and doors that flood every room in a natural, uplifting light
- The garden, swimming pools, and various shady terraces all offer glorious sea views and are absolutely luxurious!

What you should know...

- Please note that the swimming pools and water features are not fenced, so children should be supervised at all times
- The property has hot and cold air-conditioning throughout and can also be heated through the underfloor heating system
- The property benefits from an integrated domotic system, so lighting, heating, security and alarms can be programmed to automatically turn on and off
