Location & Local Information

Guests will absolutely adore the lavishly Mediterranean village of Tamariu, which is less than a 5-minute walk from Casa Cala. The highlight of this village is the stunning cove and beach, where travellers and residents often relax and soak up the Spanish sun. This is also a great location to try out some kayaking or scuba diving in the blue waters or even go for an exciting boat trip. The beach is also surrounded by several delicious restaurants, many with outdoor seating, which is perfect if guests don't feel like cooking from home!

For a bit more of the regional culture, The Dali Theatre and Museum is a truly iconic establishment that helps to accentuate the tremendous life and works of Salvador Dali. This museum was once an ornate theatre as well as Dali's personal home, meaning that guests can meander throughout the exhibition rooms and gain a more personal view of the inner workings of a true genius. As a result, this is the perfect attraction for any lover of the European Surrealist art scene. Guests can even travel down to the lower level of the theatre and discover the eerie crypt where Dali's body is held. The Dali Theatre and Museum is situated in Figueres and welcomes guests every day from 10:30 am to 6:00 pm.

The city of Girona is another must-see within this region of Spain! Filled with history and striking architecture, it is excellent for a day out. The Eiffel Bridge is a deeply significant monument and can be found within the city, near its striking cathedral. As you can imagine, this bridge is constructed with the same materials as the Eiffel Tower in Paris. However, the bridge actually predates that landmark, making it a true piece of history within the region. Guests are encouraged to travel across this expansive bridge, marvelling at the river and colourful houses that surround it. Thus, this is a great attraction to visit for those who wish to observe the highlights of this impressive region from an entirely new perspective.
