

Opio Cottage

Region: Provence-Alpes Sleeps: 6

Overview

Opio Cottage is a gorgeous Provencal retreat, nestled within the hills and olive groves of the countryside just outside the pretty village of Callian. Sleeping up to six guests, Opio Cottage has been lovingly restored, blending rustic charm with modern luxuries to produce the perfect stay. Surrounded by lush greenery, the cottage is tucked away, an idyllic corner of privacy in which you can enjoy your family holiday!

Walking into the cottage, the living space is completely open plan. The kitchen is the heart of the home, modern and naturally lit by large windows on all sides. A wooden dining table sits next to the island, surrounded by matching chairs. Wicker baskets hang above the table whilst the art brings some warmth, depth and vivacity to this gorgeous, modern interior. On the other side of the dining table and kitchen sits a lounge area. Sumptuous sofas are ready for you to sink into, centred around a coffee table and traditional wood burner.

Doors will take you out to the terrace of the cottage. Traditional shutters frame the windows, and a terracotta rooftop sits above whitewashed walls. Sunbeds sit to one side, while patio furniture sits tucked in a corner, perfect to soak up the sun and enjoy your morning coffee.

The cottage is set within the grounds of Villa Opio, which remains unoccupied during your stay if booking Opio Cottage by itself. Therefore, you have exclusive use of the swimming pool (which can be heated on request) as well as the pizza oven and alfresco dining area, a fantastic way to enjoy an evening meal together as the sun sets. You'll also appreciate your own private landscaped gardens, bursting with colourful flower beds and olive trees. There really isn't a peaceful place quite like this, as bees buzz gently through the plants and you soak up the refreshing summer air.

Back inside the cottage there are two bedrooms, both of which are light and spacious with homely touches. The master bedroom has a queen-size bed, overlooking the outdoor dining area and plenty of storage for you to unpack and make the most of your holiday. The second bedroom has two sets of bunk beds, perfect for families. You will also find a family bathroom with a shower and sink.

Location & Local Information

Opio Cottage is surrounded by rural landscapes, historic towns, and plenty for the whole family to enjoy. From the villa's doorstep, there are plenty of hiking and biking trails to discover, a great way to see the local area while also grabbing a delicious selection of pastries from the baker.

The nearest village to the cottage is Callian, a traditional Provençal village tucked to the side of a hill. Some architecture in the village dates to the 12th, 13th centuries, finally finished in the 15th century. The streets circle a medieval castle, the highest building in the village. Check when the local villages have their market days before you travel as this is an excellent opportunity to buy local produce. Local restaurants and cafes are also a great way to taste local cuisine. For those seeking even more adventure, discover the caves that have formed below Callian.

Surrounded by woodland, Lake St Cassien is a great place to spend an afternoon, and only a short drive from the villa. There are several water activities on the lake, including boating and canoeing, that the whole family can do together! The lake is also home to an inflatable water park in the summer which will get everyone laughing and in the water. There may be age restrictions for some activities, so make sure to double check before booking. The lake is the perfect place to cool off in after being in the sizzling summer sun, and a much quicker journey than the 30-minute drive to the coast. If you do fancy a cultural day trip, the villa is a 30-minute drive from the glitzy haven of Cannes, and 45 minutes from the historic gem of Nice.

Cannes is a particularly fabulous spot for discovering the cultural gems of the French Riviera. From historic architecture in the old town to sandy beaches and boat harbours along the coast, you will soon see why Cannes sees over four million visitors yearly. Restaurants filled with a variety of French and Mediterranean cuisine, and tons of bars and nightclubs take over the town as the sun sets. Of course, if you're staying in May, you'll be about for the iconic Cannes film festival.
