Location & Local Information

Thanks to the superb location of Tamarind Hills on Antigua's southwest coastline, Villa Marcelle offers guests spectacular panoramic views of the Caribbean Sea, from the white sands of Darkwood Beach stretching out over the turquoise ocean to the islands of Montserrat and St. Kitts on the horizon. The heavenly Antiguan coastline is home to crystalline waters and pristine sandy beaches, with a picturesque backdrop of tropical green hills.

The nation of Antigua and Barbuda encompasses its namesake sister islands and several smaller islets, all located in the heart of the Caribbean. While Antigua is the largest of the nation's islands, it remains a remarkably small corner of paradise at just 281 km², making it the perfect place for a relaxed Caribbean getaway. With 365 beaches, one for every day of the year, you will be spoiled for choice when it comes to your next dip in the ocean!

Only a twenty-minute drive away from the villa, the Antiguan capital of St. John's is easily accessible. This small and colourful Caribbean port city is home to an impressive neo-Baroque cathedral and lively public markets by the harbour every weekend. There is plenty more shopping to be done at Heritage Quay and Redcliffe Quay. For a chance to learn more about the nation's heritage and fascinating history, you can also visit the Museum of Antigua and Barbuda in St. John's, located in the old colonial Court House which dates back to 1747.

Slightly further afield, Nelson's Dockyard National Park is a UNESCO World Heritage site featuring an eighteenth-century British naval dockyard. As well as being a site of great historical and cultural significance on the island, this is also a popular venue for maritime events. Antigua Sailing Week was founded in 1967 and attracts hundreds of yachts every year. For those who wish to experience the magic for themselves, you can charter a sailboat for the day or arrange an excursion out on the water.

Nelson's Dockyard also offers adventure-seekers plenty of activities on dry land, including a number of fantastic trekking trails. Consider hiking to Shirley Heights, a restored military lookout with panoramic views, which happens to be one of the island's most popular destinations. Shirley Heights is well known for its famous Sunday afternoon party, where visitors are welcome to take part in the festivities. Listen to live Caribbean steel drum bands, try some of the local food and rum punch and take in the out-of-this-world panoramic views as the sun begins to set on Antigua.

Idyllic beaches are only the beginning of all the natural beauty and cultural vibrancy this friendly island has to offer. With hiking trails, watersports, culinary delights, museums, exotic birds and rainforests, visitors will be enchanted time

and time again by Antigua's breathtaking landscape and rich cultural heritage.
