

Deluxe Oasis Ibiza

Region: Cala Vadella **Sleeps:** 12

Overview

Located in the lush hills of Cala Vadella, in the southwest part of Ibiza, sits this delightful six-bedroom villa. A tropical garden and elegant interiors make this the ultimate spot for those wanting peace and tranquillity yet easy access to beautiful beaches and restaurants.

Distributed over two floors, brilliant white walls sweep through the ground floor, creating a relaxed atmosphere. Four of the bedrooms are located on this floor and feature two super-kings and one queen with an interconnecting twin room. The rooms are all neat and sophistication, with high ceilings, creamy tones and glass windows and doors that bring the glorious outside in. From the comfort of your bed, watch the sunrise over the mountains or step outside onto the terrace and while away the hours gazing at the turquoise-blue Mediterranean waters. There's also a dining table, lounge, and chill-out area so you can socialise and relax with friends and family. This floor also features three immaculate bathrooms (two are en-suite).

From the ground floor, stairs lead up to the first floor and an open-plan living area. It's an inviting space with large sofas overlooking a glorious terrace and panoramic sea views. Enjoy your favourite programme on satellite TV or gather everyone together for a sociable meal at the chic table that seats eight people. Extra home comforts include air-conditioning, underfloor heating, WiFi, and Bluetooth speakers, but best of all is the huge glass doors that open onto a terrace and mesmerising views. Relax on the terrace sofas with a chilled drink in hand or eat al fresco at the elegant table while gazing at the sea and mountains. Off from the living area, you'll find a neat kitchen and two inter-connected bedrooms featuring a super-king and twin beds. Both rooms are light and airy, with en-suite bathrooms.

While the interior offers laid-back elegance, the outdoor space is a slice of tranquillity. The tropical garden is a serene space with palm trees, waterfall ponds, loungers, and a swimming pool, and it's also a good spot for al fresco dining with its outdoor kitchen, sound system, and barbeque. Come evening, the garden's ambient lighting creates a laid-back vibe, and you can enjoy music and sundowners at the poolside bar. While Deluxe Oasis Ibiza is a tranquil spot, it's just a 10-minute walk away from Cala Vadella's restaurants, bars and beach.

Location & Local Information

Cala Vadella is spread over a hillside on the southwest coastline of Ibiza. A small and quiet resort, it is popular with families and is just a 10-minute walk away from Cala Vadella beach. The beach is a peaceful bay fringed by pine-clad cliffs and has shallow, clean waters and excellent facilities. The sheltered waters mean youngsters can safely splash in the water while older ones can enjoy snorkelling and kayaking.

From Cala Vadella, you can also charter a yacht and explore the coastline or jump on a boat and visit the rock of Es Vedrà or the neighbouring island of Formentera. After a day of activity, be sure to stop for a bite to eat at one of the many beachside restaurants. There are plenty of hiking trails close to Cala Vadella, so you'll be spoilt for choice when it comes to exploring the island's beauty on foot. Immerse yourself in the scent of pine while walking along the cliff edges and soaking up the stunning coastal views.

While the villa's hillside setting offers plenty of natural beauty and outdoor activity, handicraft shops and boutique stores head 10 minutes by car inland to San Jose. A traditional Ibizan village, it's located in the foothills of the highest mountain on the island. It's a pretty place for a stroll with its quiet streets, traditional regional architecture, charming cafes and laid-back atmosphere. San Jose also has a vibrant Saturday market where you can purchase plenty of fresh food and local arts and crafts. While here, be sure to visit the nearby Cova Santa cave. The cave can be accessed through a crack in one of the mountainsides, and steps lead down to a natural grotto that is illuminated with colourful lighting. Also worth a visit is Cova de Ses Llagostes (25 minutes). This beautiful natural cave acts as an aquarium, and as you walk along the bridges, you can spot sharks and rays in the seawater. Ibiza is known to be one of the world's best party islands, and for a range of exciting entertainment and all-night dancing, head to Ibiza town, a 25-minute drive away.
