What we love

- We loved the light, spacious and modern interior of the Casa Puput - the fact that it was single-storey was great for the kids!
- The whole family enjoyed the private pool, which was easily accessible via steps
- The villa's location was fantastic, within easy walking distance of the beach, shops and restaurants

What you should know...

- Air conditioning is only available in the bedrooms, not in the common areas of the villa
- The private pool is unfenced, and the walkway around it is narrow in places, so young children will need to be well-supervised
- The villa is located in a quiet, family-friendly location, but the capital of Mahon is close by for those who want to enjoy a livelier atmosphere
