Location & Local Information

Deluxe Melides is situated just over 15 minutes away from the centre of Melideas, a region that is celebrated for its sweeping landscapes and nuanced atmosphere. Igreja de Santa Marinha is one of the most iconic religious landmarks in the entire area and can be found just under 20 minutes away from the villa. This church was first constructed in the 14th century but presented a very signature white-washed Baroque style due to an intense renovation that was completed in the 18th century. This helps to make it a fundamental building within this architectural niche. A key aspect of this church is its vast collection of azulejos, which are traditional hand-painted tiles that help to depict key events. In this case, they showcase a range of biblical scenes.

Many locals and experienced tourists commend this region for its incredible wine industry. Many manufacturers use a blend of industry-standard and unconventional techniques to craft a delicious glass of wine each and every time. Guests are encouraged to try this commodity for themselves, entering one of the many bars and restaurants found across the area and soaking up the local atmosphere. If you wish to learn more about the production of this highly sought-after product, a trip to Quinta Brejinho da Costa is a real treat. Here, you will have the chance to explore an expansive vineyard and taste a selection of their renowned wines. Quinta Brejinho da Costa is just under half an hour away from Deluxe Melides.

If you are looking to try a truly unconventional local delicacy, Ensopado de Enguias is a perfect choice. Translated as eel stew, this dish takes a collection of root vegetables as well as a set of eels and transforms them into a hearty and comforting meal. Thus, this is a great option for guests who are looking to revel in a few home comforts with a twist. Since this area is surrounded by sapphire blue water, you will find this dish in many of the restaurants located near the seafront. Thus, guests now have the prime opportunity to enjoy an off-beat meal as they become mesmerised by the calm and clear water that sits nearby.
