## What we love

- Chalet Daphne is the quintessential Alpine retreat, with beautiful wooden architecture and stunning mountain views
- The chalet was wonderfully spacious, especially when visiting as a large group
- The morning breakfast service was always a highlight for us thanks to the delightful chalet staff

## What you should know...

- Please be aware that children under the age of five are advised not to use the hot tub or sauna, and older children should always be supervised when doing so
- If you're planning on visiting the chalet with infants, please let us know at the time of booking so that preparations such as highchairs and baby cots can be made for you
- Courchevel is a relatively spread-out resort with several connected villages around the mountain, so we recommend renting a vehicle if you wish to explore the resort at leisure
