What we love

- Chalet Sephora is a true luxury chalet, with all the amenities we could have wished for
- We loved how close the chalet was to everything we needed; slopes, shops, restaurants - everything is just a short walk away
- As a new skier, Courchevel was a wonderful introduction to the sport with its abundance of beginner pistes

What you should know...

- While the swimming pool is always popular with children, please ensure that they are supervised at all times when using this facility
- While Courchevel Le Praz is just a short walk away, the wider Courchevel resort is quite spread out, so we recommend renting a vehicle during your stay if you wish to explore the wider resort
- Prices around Courchevel are often reflective of its high-end reputation, so be prepared to spend more than you would when staying at other ski resorts when dining out and shopping
