What we love

- Chalet Lisette is a brilliant pick for groups wanting an authentic Alpine experience without sacrificing modern convenience
- We loved how close the chalet was to everything we needed during our visit
- Chalet Lisette was the perfect size for our group - we never felt crowded at any point during our stay

What you should know...

- The Courchevel resort is split across several connected villages, so we recommend renting a car during your stay if you wish to explore the wider area
- If you're planning on travelling with young children, please let us know at the time of booking so that the chalet staff can provide highchairs and baby cots for you
- As a mountain village, the Courchevel village can be quite steep in places which may not be suitable for guests with mobility issues
