

Chalet Estelle

Region: Val d'Isere Sleeps: 8 - 14

Overview

Escape to the alps in style with Chalet Estelle, a luxury ski chalet situated in the sleepy hamlet of Fornet. With five wonderful bedrooms to choose from, this elegant property is the perfect place to enjoy a ski trip with your nearest and dearest.

Sleeping up to fourteen guests, Chalet Estelle has been designed to provide guests with the ultimate in comfort and luxury. Featuring state-of-the-art amenities and a range of facilities, you'll find yourself not wanting to leave the chalet at all.

Spread across four levels, Chalet Estelle provides visitors with plenty of space to let their hair down and unwind while they enjoy their vacation time. Your first floor, the ground floor, opens onto a spacious lobby and dedicated ski storage area featuring boot heaters to keep your boots nice and warm for the next time you head out. The ground floor also features a modern wellness suite, complete with an indoor hot tub, hammam, sauna, and massage facilities.

On the first floor, you'll find three bedrooms; two doubles and one triple bunk room capable of sleeping six people at a time. Additional sleeping facilities can be found on the second floor, comprising of another double bedroom and the chalet's master suite. Each room has its own en-suite bathroom facilities. In addition to your bedrooms, an outdoor Nordic-style hot tub is located on the terrace of the second floor.

The final floor is made up of a beautiful open-plan living and dining space. Comfortable chairs and sofas gather around a roaring fireplace while a long Alpine-style dining table overlooks the stunning mountains beyond its large windows.

While your large kitchen is perfect for making meals, there's no need for that; your chalet comes with its own private chef. A dedicated chef will craft delicious meals for you and your guests throughout your stay, setting you up for the day with hearty breakfasts and wowing you in the evenings with delicious dinners.

- Open kitchen
- Terrace
- Fireplace
- Fully fitted kitchen

Location & Local Information

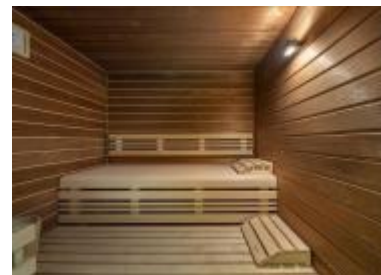

Chalet Estelle is located in the idyllic hamlet of Le Fornet, just a stone's throw away from the popular resort of Val d'Isère. This peaceful hamlet is perfect for holidaymakers looking to kick back and relax, whilst enjoying laid-back skiing activities within arm's reach.

To get to Chalet Estelle, you can drive directly to Le Fornet from your home, or you can transfer over from one of the nearby airports. Le Fornet is served by both Lyon and Geneva airports, both of which are just over two hours away by car. As Chalet Estelle is located slightly outside of Val d'Isère, it may be beneficial to rent a car during your stay to get around beyond the hamlet.

From Le Fornet, visitors have easy access to some of the best skiing and snowboarding terrain in the world. The area around the village offers a range of ski runs for all levels, from gentle beginner slopes to more challenging terrain for advanced skiers and snowboarders. Le Fornet is also a great starting point for off-piste skiing and snowboarding, with several popular routes accessible from the village. Additionally, Le Fornet is home to several traditional Savoyard restaurants and a few shops, including a small grocery store and a ski rental shop.

Nearest Piste

**Mangard - Cognon
(200 meters)**

What we love

- Chalet Estelle had all the facilities and more we needed to enjoy a luxurious Alpine escape
- As several families with children, we loved the bunk beds and children's facilities at Chalet Estelle
- The views from Chalet Estelle are some of the best I've ever seen

What you should know...

- The property does not feature an elevator to move between floors, so it may be unsuitable for guests with certain mobility issues
- Chalet Estelle is located in a quiet area about 25 minutes away from the main resort, so you may wish to hire a vehicle during your stay to get around
- It is not recommended for children under the age of five to use the hot tub or nordic bath, and older children should always be supervised when using these facilities
