What we love

- Chalet Rosalie was the absolute epitome of luxurious comfort - my family never wanted to leave!
- Being able to request the in-house chef made it so much easier for our group to decide when to eat out and stay home
- We loved Chalet Rosalie's location, being super close to both the ski slopes and the resort centre

What you should know...

- Without elevator access, some of the higher levels of the villa may be difficult for visitors with limited mobility to access
- We advise families to make sure they always supervise any children when using the wellness facilities, such as the swimming pool and sauna
- While Val d'Isère is easy to navigate without a vehicle, renting one may be beneficial if you wish to do some additional sightseeing during your stay
