What we love

- The location of Chalet Mavis was superb - we found it super easy to get out and about during our stay
- Our kids loved having Apple TV on the chalet TV as they were able to watch their favourite shows like they would at home
- We booked the private chef for a night and our only regret is not doing it sooner! Each course was better than the last and they were so friendly, we had an amazing time during our dining experience

What you should know...

- If you're thinking of exploring further afield than Val d'Isere during your stay, we recommend renting a car to make getting around easier for your group
- Child facilities, such as baby cots and high chairs, are not included as standard at Chalet Mavis and should be requested during booking if travelling with a baby
- Val d'Isere is well-known for its lively nightlife scene, which may not be suitable for all visitors
