This exquisite chalet boasts traditional Alpine architecture with modern accents, featuring exposed natural materials such as wood and stone and large floor-to-ceiling windows that flood the interiors with natural light before opening up onto a grand terrace space where you can enjoy panoramic views of the surrounding mountains and soak up the sunshine on comfortable sun loungers.

Split across five levels, this spacious property offers plenty of room for guests to spread out before coming together for group meals and activities.

Your main living space is large and bright, with vaulted ceilings and a large log fire surrounded by plush sofas. In addition to the log fire, a flat-screen TV creates the perfect atmosphere for socialising and spending quality time with loved ones in beautiful surroundings.

Nearby, the dining area and fully equipped kitchen make it easy to enjoy delicious meals with friends and family, with a large ten-person table creating an inviting socialising space at the heart of the home. When not in use for meals, the dining area is ideal for enjoying family board and card games.

Of the five bedrooms, four feature double beds, while the fifth contains two singles that can be pushed together to form a double if needed.

A dedicated leisure and relaxation space is located on the lowest level of Le Petit Yeti, with table games like table tennis and table football and cardio equipment for those who wish to keep up with their fitness routines while away.
