What we love

- We loved the stunning panoramic views of the surrounding mountains from the apartment balcony
- The apartment's proximity to the ski lifts was really convenient and made it incredibly easy to access the slopes every morning
- The fully equipped kitchen made it easy for us to prepare our own meals, and the large dining table was perfect for meals with family and friends

What you should know...

- While the apartment is conveniently located near the ski lifts, it is also situated on a busy road in the heart of the resort, which can be noisy at times
- The parking area near the apartment can be limited during peak season, so let us know at the time of booking if you will need a space reserved for your visit
- While the apartment does have a balcony with beautiful views, it is quite small and may not accommodate large groups of people
