Region: Marbella Sleeps: 12

Overview

Located in Marbella, in the foothills of Sierra Blanca, sits this majestic five-bedroom property that boasts luxury. Extensive facilities, elegant furnishings and high-quality fittings make this a classy and luxurious retreat.

The large living area is an attractive space with its high ceiling, exposed beams and whitewashed walls. Cream furnishings and swathes of natural light create a soothing atmosphere, and the numerous sofas and chairs invite you to relax and soak up the ambience of the room. When the sun is out, slide open the floor-to-ceiling glass doors and enjoy the gentle breeze from the nearby Mediterranean waters, or step out into the garden and gaze at the mountains. From the lounge, tiled flooring sweeps through to a dining area and a separate designer kitchen featuring Wolf appliances.

To aid your relaxation, there are plenty of leisure facilities too. Curl up with your favourite film in the home cinema room or socialise in the bar and games room. Alternatively, get some laps in at the indoor heated pool (there's also a cold water pool), or work up a sweat in the gymnasium. Afterwards, take it easy in the sauna, Turkish bath, or massage room.

In addition, the property boasts five light and airy bedrooms, all with fabulous en-suite bathrooms. The bedrooms are wonderfully comfortable, and each has its own unique style. If you're a lucky couple, you'll get to stay in the main bedroom, with its private terrace, dressing room, and mini-home cinema. The villa also benefits from a separate apartment, for those who would like a bit of privacy, or a great option if you're travelling with staff.

While the interior is impressive, the outside is equally striking. Start the day with a coffee on the shady terrace while listening to the birdsong in the subtropical garden, then plunge into one of the two swimming pools. During the day, take it easy in the chill-out area or top up your tan on the decked solarium. After a day of relaxation, light the BBQ and feast alfresco at the large outdoor dining table. This is a fabulous place for those seeking tranquillity and privacy, yet it is also close to all amenities, with Marbella's shops, fine restaurants, and sandy beaches just 10 minutes by car from the villa.

Location & Local Information

Joya de Marbella is located in Cascada de Camojas, one of Costa del Sol's most prestigious neighbourhoods. Located north of Marbella's Golden Mile and nestled in the foothills of La Concha Mountain, it's an idyllic place to live. With hiking trails right from the door, you can enjoy peaceful walks through forested areas complete with beautiful waterfalls and far-reaching views of the Mediterranean Sea.

Golf enthusiasts can also enjoy access to some of the finest courses in the Costa del Sol, but closest to the property is Monte Paraíso Golf. Less than a 5-minute drive away, lovers of the game can enjoy practising their handicap on this short but challenging 9-hole course that meanders through mountains and lakes. Nearby you'll also find tennis and paddle clubs and, of course, the beautiful beaches of Marbella.

Playa de la Fontanilla and Playa de Venus are both centrally located and are a 10-minute drive from the villa. They are good spots for swimming and sunbathing, while the more energetic can hire a jet ski or paddleboard and spend the afternoon out on the water. After a day on the beach, step onto the glamorous promenade and enjoy a bite to eat at one of the many gourmet restaurants. Away from the shoreline, Marbella's old town is a pretty place to while away a few hours. Stroll through the narrow streets with its flower-filled window boxes and stop for a coffee in the Plaza de Los Naranjos. Here you can admire the Moorish and baroque architecture, then visit the Museum for Contemporary Spanish Engravings and discover the works of Miro, Dali and Picasso.

While Marbella offers plenty to do and see, the bustling area of Puerto Banus is also a popular spot and less than 15 minutes by car from the villa. Spend the afternoon browsing the designer stores, then head to the glittering harbour for a meal at one of the Michelin-starred restaurants. Alternatively, simply sit back with a drink and spot the rich and famous who frequent the area. Away from the harbour, further entertainment includes an aquarium, multi-screen cinema and a five-floor Spanish department store, while in the heart of Puerto Banus, history lovers can explore the ruins of a Roman villa dating back to the late first or early second century.
