It's a challenging course with a quick pace of play, a full-service pro shop, a practice warm-up net, chipping and putting areas, a flood-lit tennis court and the Fairways Bar and Grill. The course enjoys the natural flora and fauna of the island with an abundance of native island bush, inland lakes and swaying palm trees. New bands take to the stage along with local favourites, dancers and other cultural acts. There are locally handcrafted items for sale, folklore storytelling, maypole plaiting and instrument demonstrations.

Smith's Reef is a beautiful snorkelling site off central Provo with several distinct reef systems and coral heads. The outer reefs are the best easily-accessible beach snorkelling site on the island. It is located near Turtle Cove on the north coast of Provo, roughly three and a half miles from Grace Bay. It is possible to walk from Grace Bay. Visitors enjoy an extraordinary abundance of colourful wildlife and reef fish, including green turtles, hawksbill turtles, southern brown stingrays, majestic spotted eagle rays, stoplight parrotfish, and more. Under the ledges, there are spiny lobsters, slipper lobsters, banded coral shrimp, spotted moray eels and channel crabs. In addition, the hard and soft corals, sea fans, sponges and other sessile animals add to this beautiful picture. Night snorkelling brings other creatures, including squid, shrimp, sea worms, sea snails and octopus.
