This gloriously bright and spacious apartment is situated on an exclusive resort just metres from the beach and features everything you and your family's hearts could desire to enjoy a relaxing sunshine break in Portugal's most celebrated region.

Algarve Marvels III enjoys a light, fresh decor throughout, incorporating neutral tones, oak brushed wooden floors, bespoke oak timber doors, and quality soft furnishings that are modern and stylish in design. The open-concept living area features a sumptuous oatmeal-coloured sofa for cosying up with loved ones, soft plush rugs and a huge flatscreen TV for your entertainment. Decorative touches include contemporary lighting fixtures that can be adjusted to create an ambience to suit the mood and beautifully crafted tables and mirrors for a homely, welcoming vibe.

The apartment lends itself perfectly to intimate social gatherings, with ample indoor dining space for enjoying busy family breakfasts and delicious evening meals that can be rustled up in Algarve Marvels III's designer kitchen. Here you'll find an array of Smeg appliances that include an electric induction hob and extractor, integrated dishwasher, fridge-freezer and wine-cooler and microwave oven - not to mention Silestone worktops for food-preparation and soft-close cupboards for storage.

On the first floor of the apartment, you'll discover the apartment's master bedroom, which features breathtaking sea views and ocean-inspired decor that incorporates swirls of sea green and light foam shades. The comfortable double bed promises a restful and relaxing night's sleep, and there's another large flatscreen TV for a lazy morning's viewing. From the living space, guests can access a stunning decked terrace, which offers more of those incredible sea views and is fully furnished with alfresco dining facilities and sun loungers.

From the living area, guests can access the apartment's private balcony, which features a spacious and fully-furnished decking area, complete with high-quality lounge seating. Clear, safety-glass balustrades provide peace of mind for families with children, as well as ensure that you can enjoy unobstructed views of the ocean and the rest of the resort. It's the perfect place for sitting back and soaking up the sun, enjoying a good book, or

partaking in after-dinner drinks and hearty conversation with your guests.

A further two bedrooms can be found on the apartment's upper floor; a second stylish double and a single. Both rooms are decorated to the same high standard as the rest of the apartment, with high-spec furnishings and modern design features for the ultimate in luxury and convenience. Algarve Marvel III's bathroom is a glorious space in which to pamper yourself during your stay, with a deep, free-standing bathtub, rain head shower, and a large vanity counter with well-lit mirrors. Again, the decor is clean and fresh and features beautiful Century blue stone and Bisazza glass mosaic tiles for an elegant and sophisticated look.

The grounds of the apartment feature a range of amenities, including a residents-only pool, as well as a split-level pool where you can swim, accompanied by the mellow beats provided by the on-site DJ. There are plenty of high-end sun loungers and umbrellas on hand for when you're ready to lay back and relax, and a number of alfresco bars are just a few steps away if you're in need of refreshment.

## Location & Local Information

Algarve Marvels III is situated on the Algarve, Portugal's southern point, and one of Europe's most popular holiday destinations. The area is famous for its glorious beaches and glittering coastline, colourful architecture and friendly, welcoming atmosphere. The apartment is part of an exclusive resort which offers guests an array of exclusive amenities, including swimming pools, a spa, bars and restaurants - so everything you'll need during your stay is within easy reach. The beaches on the Algarve are plentiful and situated just metres from your apartment. Evaristo beach is one of the closest and most beautiful, far enough away from busy Albufeira to retain its quiet charm, and dotted with rock formations which are great for exploring!

This Blue Flag Award-winner has an up-market feel and attracts its fair share of the rich and famous thanks to its cosy feel, clean sands and clear waters. The beach is serviced by lifeguards during the summer months, and amenities include showers and toilets, as well as snack bars and restaurants serving fresh fish and seafood. There is good disabled access here, with a boardwalk that runs to and along the beach (also handy for those with prams and pushchairs), and also the opportunity to hire sun loungers and parasols, and even pedalos.

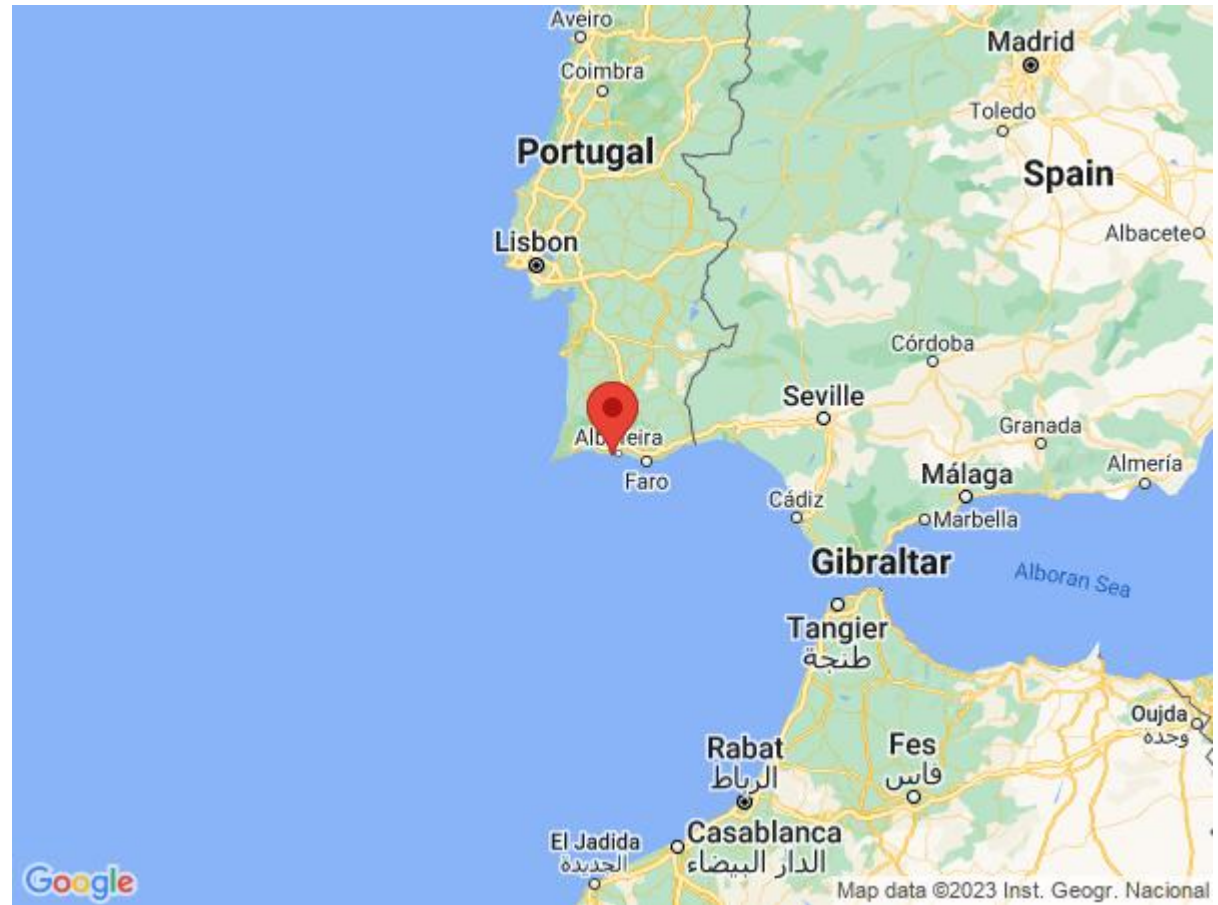

One of the most beautiful beaches in the world is nearby Marinha beach (if you've ever seen pictures or videos of the Algarve, you will have seen it!), and is famous for its spectacular setting and calm, turquoise waters. Its golden sands are nestled at the base of impressive limestone cliffs, which have been eroded over time to create unique formations such as the well-known double sea arch, Arcos Naturais - one of the most photographed natural features of the Algarve. Marinha is incredibly popular with families, as it remains sheltered from the wind, and the clear waters make it a prime spot for snorkelling and swimming.

If you want to check out how the other half live, Oliver recommends venturing to Vilamoura or Albufeira marinas to see the impressive yachts and maybe check out some of the exclusive Michelin-starred restaurants, stylish beachside hangouts, or buzzing beach clubs. You'll find vibes ranging from mellow and chilled-out to high-energy here, so there really is something for everyone.
