Here you'll find large cosy sofas and a flatscreen TV for enjoying a lazy evening's entertainment and a beautifully crafted dining space for intimate indoor meals. Every inch of the apartment is designed and executed to the highest specification, from the floor-to-ceiling glass doors, which flood the room with light and showcase incredible ocean views, to the beautiful oak-brushed wooden floors and bespoke timber doors. Algarve Penthouse's designer kitchen has everything you'll need to cater to you and your guests during your stay, including an array of Smeg appliances such as an electric induction hob and extractor, integrated dishwasher, fridge-freezer, wine-cooler and microwave oven - not to mention Silestone worktops for food-preparation and soft-close cupboards for storage.

Rest and relaxation are key components to a good holiday, and the bedrooms here at Algarve Penthouse promise just that and are decorated and furnished to the same high standard as the rest of the apartment. Each bright and spacious room features soft and sumptuous beds, fitted wardrobes, flatscreen TVs and balcony access - providing guests with the perfect spot to enjoy a morning cuppa or nightcap while drinking in those spectacular views.

The penthouse bathroom is equally stunning and luxurious, providing guests with plenty of space to pamper themselves during their stay. The room features a deep, free-standing bathtub, a rain head shower, and a large vanity counter with well-lit mirrors. As with the rest of the apartment, the decor is fresh and elegant, with beautiful Century blue stone and Bisazza glass mosaic tiles for a sophisticated and timeless look.

The jewel in Algarve Penthouse's crown is undoubtedly its private outdoor

terrace, complete with stylish furnishings, sun loungers, and a private pool overlooking the ocean. Being part of an exclusive resort means that guests staying here can make use of the fabulous amenities on offer, including a residents-only pool, as well as a split-level pool where you can swim accompanied by the mellow beats provided by the on-site DJ. Location & Local Information

Algarve Penthouse is part of an exclusive holiday resort on the Algarve, an area famous for its golden, sandy beaches and glittering coastline. Here guests can enjoy an array of luxurious amenities, including swimming pools, a spa, bars and restaurants. The beaches on the Algarve are plentiful and situated just metres from your apartment - perfect for guests who won't have use of a vehicle during their stay. Evaristo beach is one of the closest and most beautiful, far enough away from busy Albufeira to retain its quiet charm, and dotted with rock formations which are great for exploring!

This Blue Flag Award-winner has an up-market feel and attracts its fair share of the rich and famous thanks to its cosy feel, clean sands and clear waters. The beach is serviced by lifeguards during the summer months, and amenities include showers and toilets, as well as snack bars and restaurants serving fresh fish and seafood. There is good disabled access here, with a boardwalk that runs to and along the beach (also handy for those with prams and pushchairs), and also the opportunity to hire sun loungers and parasols, and even pedalos.

One of the most beautiful beaches in the world is nearby Marinha beach (if you've ever seen pictures or videos of the Algarve, you will have seen it!) and is famous for its spectacular setting and calm, turquoise waters. Its golden sands are nestled at the base of impressive limestone cliffs, which have been eroded over time to create unique formations such as the well-known double sea arch, Arcos Naturais - one of the most photographed natural features of the Algarve. Marinha is incredibly popular with families, as it remains sheltered from the wind, and the clear waters make it a prime spot for snorkelling and swimming.

If you want to check out how the other half live, Oliver recommends venturing to Vilamoura or Albufeira marinas to see the impressive yachts and maybe check out some of the exclusive Michelin-starred restaurants, stylish beachside hangouts, or buzzing beach clubs. You'll find vibes ranging from mellow and chilled-out to high-energy here, so there really is something for everyone.

If you choose to venture inland, you'll find plenty of historic towns to explore, with pretty cobbled streets and bustling markets, as well as lots of beautiful hiking and cycling trails through peaceful forests and lemon groves, and of course, some of the most beautiful golf courses in the world.
