Location & Local Information

Deluxe Alentejo is situated just 10 minutes away from the centre of Montemor-o-Novo, a region that is teeming with enticing landmarks and an intensely rich history. If you are a true animal lover at heart, you must take a trip to the Monte Selvagem Animal Reserve. Complete with a plethora of awe-inspiring horticulture as well as a collection of majestic animals such as goats, deer, and pelicans; this park allows guests to observe the true wonders of nature from a much more intimate perspective. In turn, guests are encouraged to explore this landscape in depth and really let their worries melt away as they focus on the beautiful sights and smells that surround them. This park is also home to a quaint coffee shop, allowing guests to enjoy a warming beverage as they look out at the inviting views that sit close by. The Monete Selvagem Animal Reserve can be found just over half an hour away from the villa.

The Dolmen-Chapel of Sao Brissos is a deeply unconventional attraction that is based just over 20 minutes away from Deluxe Alentejo. First crafted sometime in the 3rd and 4th millennium BC, this chapel was once regarded as an uncanny prehistoric tomb. In its later life, this space was transformed into an off-beat Christian cult following, helping to give the building a unique sense of mystery and flair. The building is also regarded as a Property of Public Interest after gaining prestigious status back in 1957.

Due to the large stretches of land that surround this area, it is a prime location for artisan winemaking. Quinta da Pansel is an inspiring winery that is located just under 15 minutes away from the villa. Here, guests will have the privilege of exploring its vast vineyard and deepening their understanding of how these delicious local wines are produced on a regular basis. In addition, these wines can be found in many bars and restaurants across the town centre. Thus, guests are free to indulge in a remarkable glass of wine as they soak up the native atmosphere and make small talk with the amicable civilians.
