What we love

- We love the large green lawn beyond the private pool. It is a great place to kick the ball, run around, or sit under a tree to read a book. Your kids will love this garden!
- The kitchen is generous in size and encourages guests to cook up a storm and make the most of the awesome facilities
- The two lounge areas are super handy if you're with kids, as you can set them up with a movie in one room and enjoy a glass of wine, some conversation (or a movie of your own choice) in the other!

What you should know...

- Most of the bedrooms can be separate twin beds or can be pushed together to make a king-size bed. Just let us know what you prefer, and we can arrange this accordingly!
- Two extra bedrooms are available in the separate annex at the back of the property, accessed via a courtyard from the second living room. These rooms have separate entrances
- There are bedrooms on the ground floor for those with mobility issues
- If you have young kids, a swimming pool fence is available for rent at an additional price, giving you peace of mind
