What we love

- We love the modern feel of this villa! It really does feel like an escape from the hustle and bustle of city life
- It is so handy that both bedrooms have an ensuite bathroom, meaning that couples have a little more privacy
- The pool is a great addition to this intimate villa and means that on days when you're feeling like staying in m- you can still lay by the pool and enjoy the sun!

What you should know...

- From the private pool, you can see into one of the ensuite bathrooms, so we recommend always keeping the blind down during your stay to maintain your privacy
- There is no safety fence surrounding the pool, so if you have young children, we recommend having supervision at all times
