Location & Local Information

Mykonos is talked about in the same breathy terms as Ibiza or Miami. It has been a popular A-list hotspot for celebrities since the Fifties and Sixties when stars such as Brigitte Bardot and Jackie Onassis appreciated its attractions. Mykonos is upmarket, stunningly beautiful and offers exceptional hospitality. The island is a party lover's paradise but it is also whitewashed, glimmering Grecian gem waiting to be explored. There are stunning beaches, glamorous beach clubs, swanky restaurants, lush hillsides and azure waters.

After the beaches, Mykonos Town is the second biggest attraction on the island. It is one of the best examples of Cycladic architecture with an enchanting warren of narrow marble lanes, bedecked with bougainvillea in purple bloom and lined with picturesque churches, charming restaurants, quirky art galleries and chic boutiques. You should definitely pay a visit to the Church of Panayia Paraportiani. There are interesting museums including the Archaeological Museum, the Folklore Museum and the Aegean Maritime Museum. Mykonos Town is a shopper's paradise with casual fashion, souvenirs and jewellery being sold in Little Venice, Greek designers on Matogliani, brand-named stores on Mayoyanni Street and fantastic art on Mavrogenous Street. The open-air cinema is another delight of Mykonos Town or Hora as it is otherwise known.

Villa Chantilly is only 1.5km from Super Paradise Beach where its beach club welcomes guests to a world of passion, taste and fun. The clubs consider themselves to be the soul of Mykonos Island with an energy that has been radiating for over fifty years. You will step into a world of effortless comfort, where Mykonian aesthetics offer bohemian chill-out and guests enjoy upbeat music and dance. Guests are pampered with mouth-watering food options, sensational wines and creative cocktails not to mention resident DJs and vibrant dance floors. Other popular beaches are Elia Beach, Psarou Beach, Paraga Beach, Paradise Beach and Agios Ioannis Beach. There are twenty-five beaches in total! Platys Gialos and Kalafatis are particularly good for water sports. Elia Beach is gorgeous with silvery white sand and part of Mykonos' longest sweep of sand, popular with families. The rainbow flag at the end of the beach marks this as an LGBT-friendly stretch of sand. You can catch water taxis from Elia Beach to Platys Gailos and other beaches.

You should try and make time to visit the picturesque village of Ano Mera which boasts delightful meandering streets and get a feel for how people lived

before the tourist boom. The Panagia Turlaina and Paleokastro Monasteries are centuries old and definitely worth a visit.
