Location & Local Information

Dar Azlef enjoys a beautiful location on the Sofitel Essaouira Mogador Golf and Spa Resort in Essaouira. Guests enjoy world-class resort amenities and the charms of Essaouira on Morocco's Atlantic coast. Visitors to Essaouira enjoy stunning beaches, thrilling watersports, delicious fresh seafood and a buzzing Medina. The town is very much a working port and fishing town as well as a beautiful tourist hub. It is known for its coastal wind, beautifully named the Alizee, giving the town the name of the 'Wind City of Africa'.

You will enjoy a relaxed shopping experience in the Medina of Essaouira. There are five main gates and a laid-back, car-free pedestrian area sprinkled with souks that you can explore at your own pace. You will discover palm-lined avenues lined with art galleries and boutiques. You will enjoy the gorgeous white and blue facades and the striking ramparts. Dating from the late 18th century and added to the UNESCO World Heritage list in 2001, it is a lovely place to stroll. It was famously used in the opening scene of Orson Wells' 1951 films Othello and Game of Thrones. The Medina is surrounded by dramatic, wave-lashed ramparts which offer spectacular sunset views. The Slala de la Ville 18th-century ramparts protect the Medina and its row of nineteen bronze cannons from the crashing waves and seafaring marauders.

Essaouira's busy port is filled with colourful fishing boats. There is a large fish auction in the market hall by the port gates every Saturday, plus you can watch the daily catch being sold every afternoon to the restaurants around the harbour. You will see the sea-blue wooden boats arriving and departing and nets being repaired.

The beaches are great fun for windsurfing and kite surfing though the water is pretty cold. The beach runs for approximately six miles and is popular for walking, football and other sports. Swimming is best in the town stretch as Safi Beach to the north has a strong current. Camel owners are found on the sands to the south. You can head south across the Ksob River to see the ruins of the Borj El Berod, an old fortress and pavilion at low tide. From here, you can walk inland to the village of Diabat or continue to the sand dunes of Cap Sim.

The Gnaoua World Music Festival is held in June for three days. It is Essaouira's biggest annual event. The Gnaoua people are descendants of slaves that originated from Black Africa and established brotherhoods throughout Morocco. They are made up of master musicians, metal castanet players, clairvoyants, mediums and their followers. The festival showcases their talents with music and mysticism.
