What we love

- The surrounding area and gardens of this property are truly stunning. There is something about having a large grassy area that makes you feel on holiday and away from the city. Not to mention the play area for kids and the perfect space for a friendly soccer game!
- Finca Sovyla is all on one level and is perfect for multi-generational gatherings, making it ideal for a family vacation.
- The villa is humble and rustic, with plenty of lovely spaces to relax and hang out in, whether it's the lounge, by the pool, in one of the comfortable hammocks or in the sheltered outside lounge!

What you should know...

- A car is required to fully enjoy the property and the area.
- This is a traditional property, and as with many in Mallorca, the drain and electric systems are less advanced than the UK or US, for example. If you overload the system, the electrics will cut out, affecting the water pumped from a well. Should this happen, please contact us.
- The Wi-Fi is not Fibre optic and is from a mast on the mountain. Therefore, during inclement weather, especially low clouds, the signal can be affected (rare in July and Aug)
