Region: Estoi Sleeps: 16 - 23

Overview

Are you looking for a peaceful escape to the Algarve countryside? Villa Quelfes Olhao is a stunningly renovated 19th-century farmhouse just 3 km from the vibrant town of Olhao. With its lush garden, private saltwater pool, and beautifully designed suites, this Villa is the perfect place to unwind with family and friends.

With six spacious suites, each with its own kitchen and ensuite bathroom, there's plenty of room for 16 guests. The suites themselves are designed to maximize natural light and a sense of closeness to nature, with natural materials like stone and wood. All the suites have double beds in them with extra singles beds and sofa beds in most suites making them perfect for families or friends who want to share a private villa but still have their own space.

Suppose your group prefers to cook and dine together. In that case, the Jacaranda suite can be transformed into a communal kitchen area with a large table on the terrace that comfortably seats everyone. And all the outside tables are portable, so you can easily move them to create one large outdoor dining area with shade and BBQs. But the real highlight of this Villa is the stunning saltwater pool, surrounded by sun loungers, umbrellas, and a large shaded communal area perfect for sunset drinks. And with many shaded terraces throughout the garden, you'll always find the perfect spot to read a book and relax.

For those who want to take their relaxation to the next level, the Villa can arrange adult and children yoga classes within the grounds and Thai yoga massages.

These services are not included in the price, but more information is available upon request. So, if you're looking for a peaceful retreat in the Algarve countryside, this stunning Villa has everything you need for a memorable getaway.
