Location & Local Information

The charming ski resort of Tignes Les Boisses 1800 sits by the dam in Tignes and is very popular. Skiers have full access to the L'Espace Killy slopes and mountains and can quickly be in the main Tignes resort. In the summertime, a short bus journey or drive takes you to Tignes Lake or Tignes Val Claret. From there, you can whizz up the Grande Motte for some summer skiing on the glacier, or you can enjoy hiking or mountain biking.

Tignes itself is a fantastic ski resort that sits at a very high altitude. It is famous for its record snowfalls and is linked brilliantly with Val d'Isere as part of L'Espace Killy. It is one of the best European destinations for skiers and snowboarders to carve up the slopes. In Tignes, Val Claret sits 2100 metres high at the foot of the Grande Motte funicular. Le Lac and Le Lavachet enjoy more of a cosy village feel, and all three areas are linked by a free resort shuttle bus. The villages enjoy excellent shops, ski hire options, bars and restaurants. In total L'Espace Killy enjoys over 300km of pistes, 150 shops, 115 bars and numerous ski schools, making it one of Europe's premier ski resorts. According to 'The Good Ski and Snowboarding Guide', Tignes and Val d'Isere together are one of the only two ski areas in France listed as 'snow-sure resorts'. Tignes is excellent for all levels of skiers and offers five free lifts for beginners.

L'Espace Killy is actually open eleven months of the year, thanks to the La Grande Motte Glacier. It backs onto the peaks of the Italian border too. The funicular railway that takes skiers to the panoramic platform at 3030m takes just seven minutes. It is worth the ride just for the view! The Perce-Neige funicular took four years to construct and transports three thousand people per hour, travelling at twelve metres per second! The restaurant at the top is incredibly popular. There, you can take a cable car to a height of 3456m and take a thrilling ski down to Tignes Les Brevieres, have the services of a mountain guide to take you to the summit of the Grande Motte or just marvel at the glorious panorama of the surrounding mountains.

Tignes has come a very long way since the very first lift was installed in the old village of Tignes back in 1936. There are some wonderful activities available once the lifts are closed. Ice skating is popular, and also the unusual activity of ice diving in Tignes Lake. Evolution 2 welcomes beginners to experienced ice divers, providing equipment, guidance and instruction to enjoy this unique experience. Le Lagon Sports Centre offers a 25-metre indoor swimming pool with six lanes, a leisure pool with a wave machine, water slides and jacuzzi-style massage beds. There is also a wellness area with hot tubs, saunas, a steam room and an ice bath.

Val d'Isere is not far away in the car, or you can ski across from Tignes. Val

d'Iserre is famous for its skiing, apres-ski scene, exclusive boutiques and fabulous restaurants. The resort offers gondolas with heated seats, Wi-Fi, a number of luxury spas, a wonderful leisure centre and a fantastic nightlife. Surrounded by snow-capped peaks, Val d'Iserre sits on the border of the stunning Vanoise National Park. Val d'Iserre enjoys an authentic alpine atmosphere, a gorgeous historic centre, endless chocolate-box chalets and fantastic bars and eateries. The centre of Val d'Iserre is a bustling high street which is surrounded by a number of small hamlets, including Le Cret, Le Joseray, Le Chatelard, La Legettaz and Le Laisinant.
